Foreword

If God created man in his image...
Does God have a functioning penis?
And does God manually handle every
penis he creates? Or does he outsource
the job to penis-manufacturing elves?.

Oliver Markus Malloy

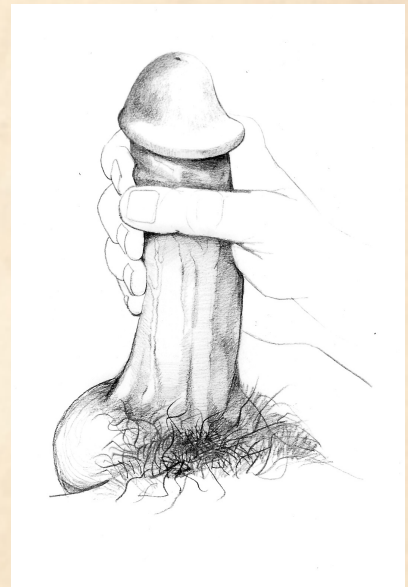

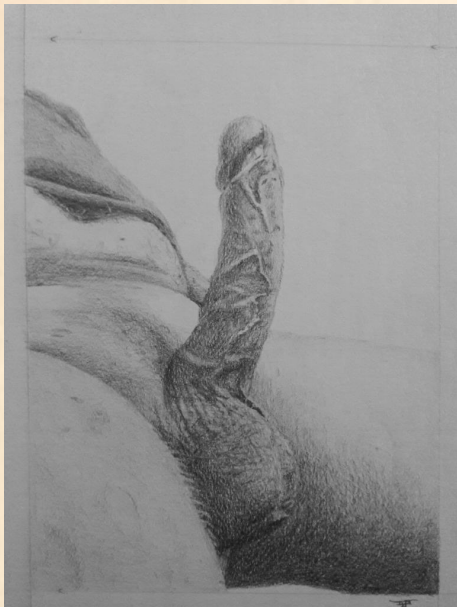

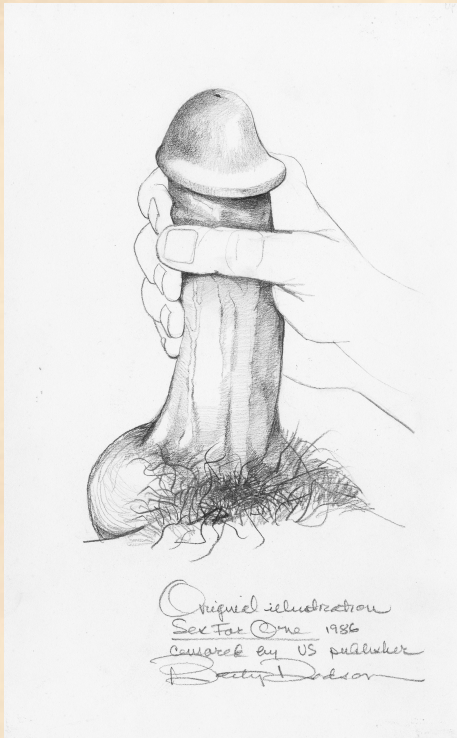

This book is a collection of pictures gathered all around the internet. I did not created these pictures and I don't give a credit in every single picture in this book. The pictures are freely accesible in the web pages, I have just collected them and then I have made a single document. That means, that nobody should acknowledge me as an author of the pictures. If you like the images, find them online and support the real author.

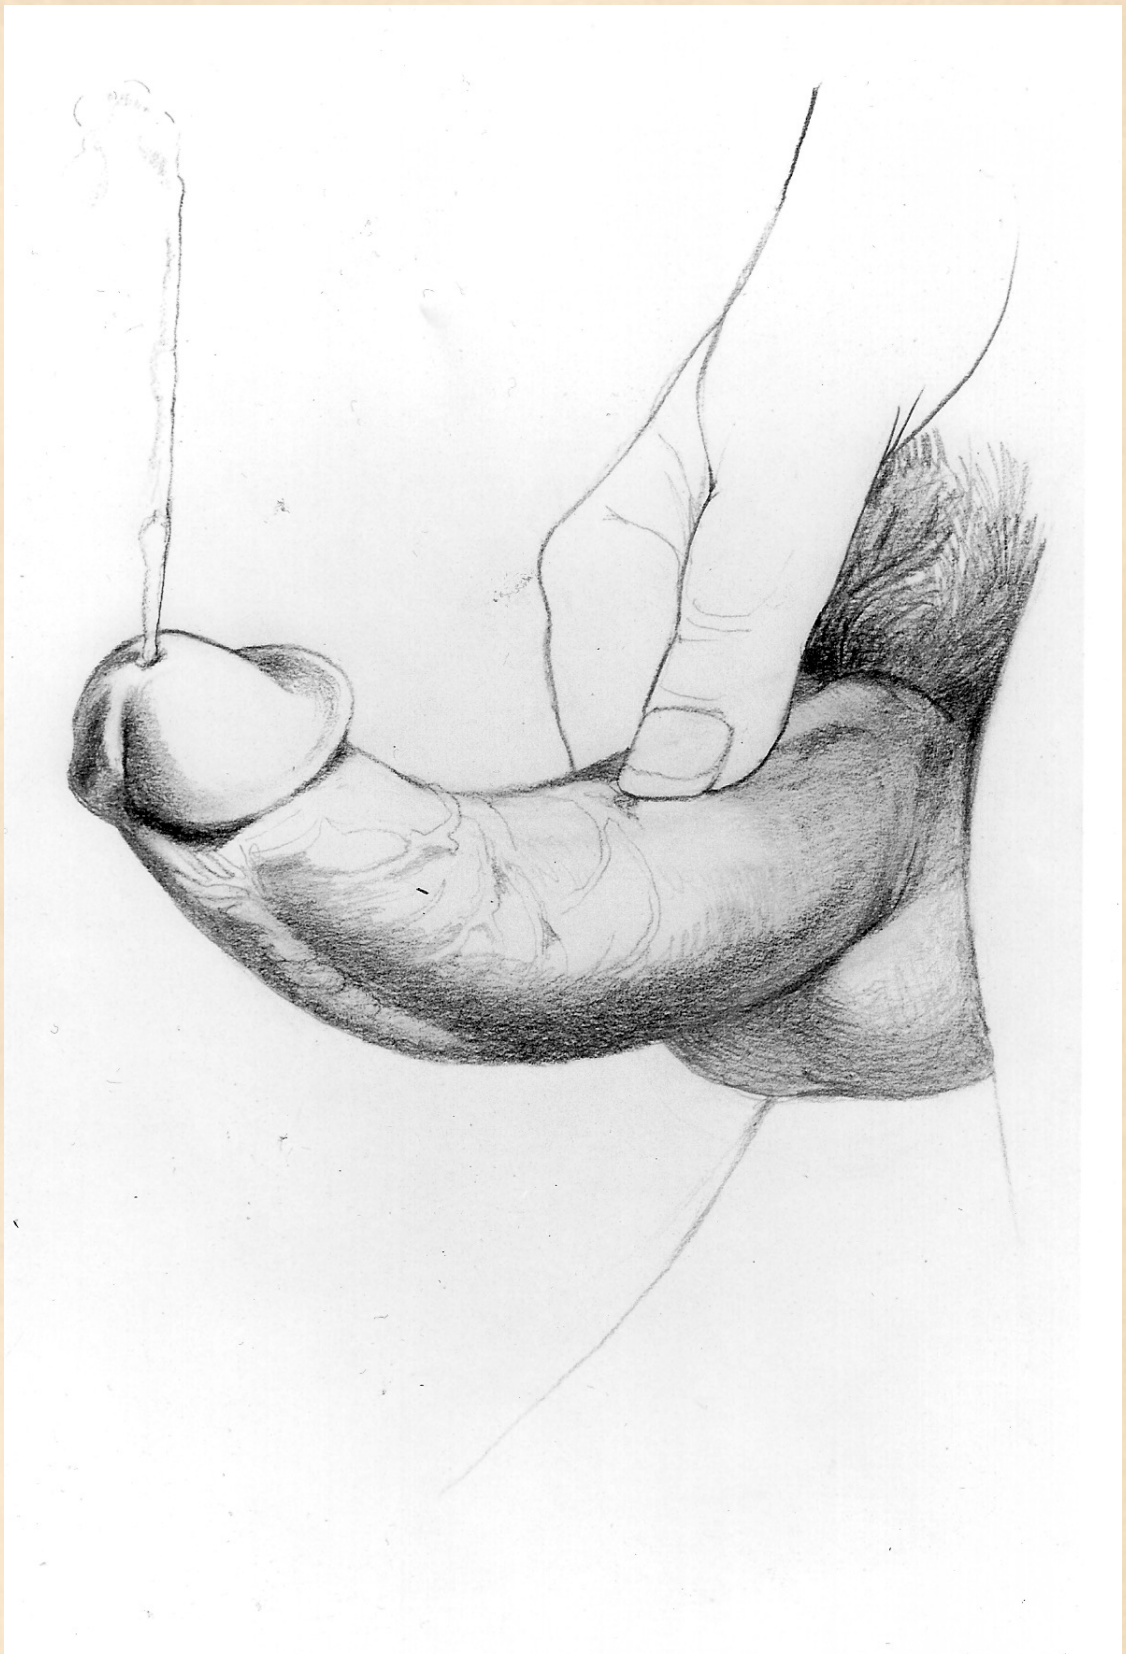

This book is impossible to buy. It is for free; just to enjoy the beauty of the penis. Nobody should ask you to pay to have this book. I don't want even negligible amount of money for creating this book, because I made it just to have fun with L^AT_EX and bunch of images.

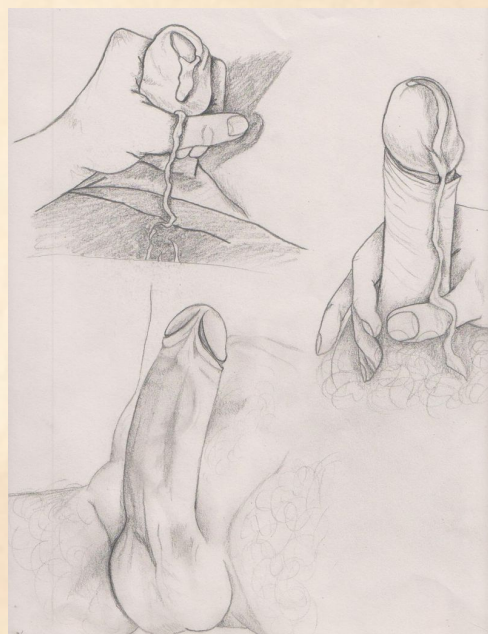

This book is dedicated to homosexual and bisexual community. I hope you enjoy it as I did enjoyed the creation. I wish you rainbow in the heart and open mind.

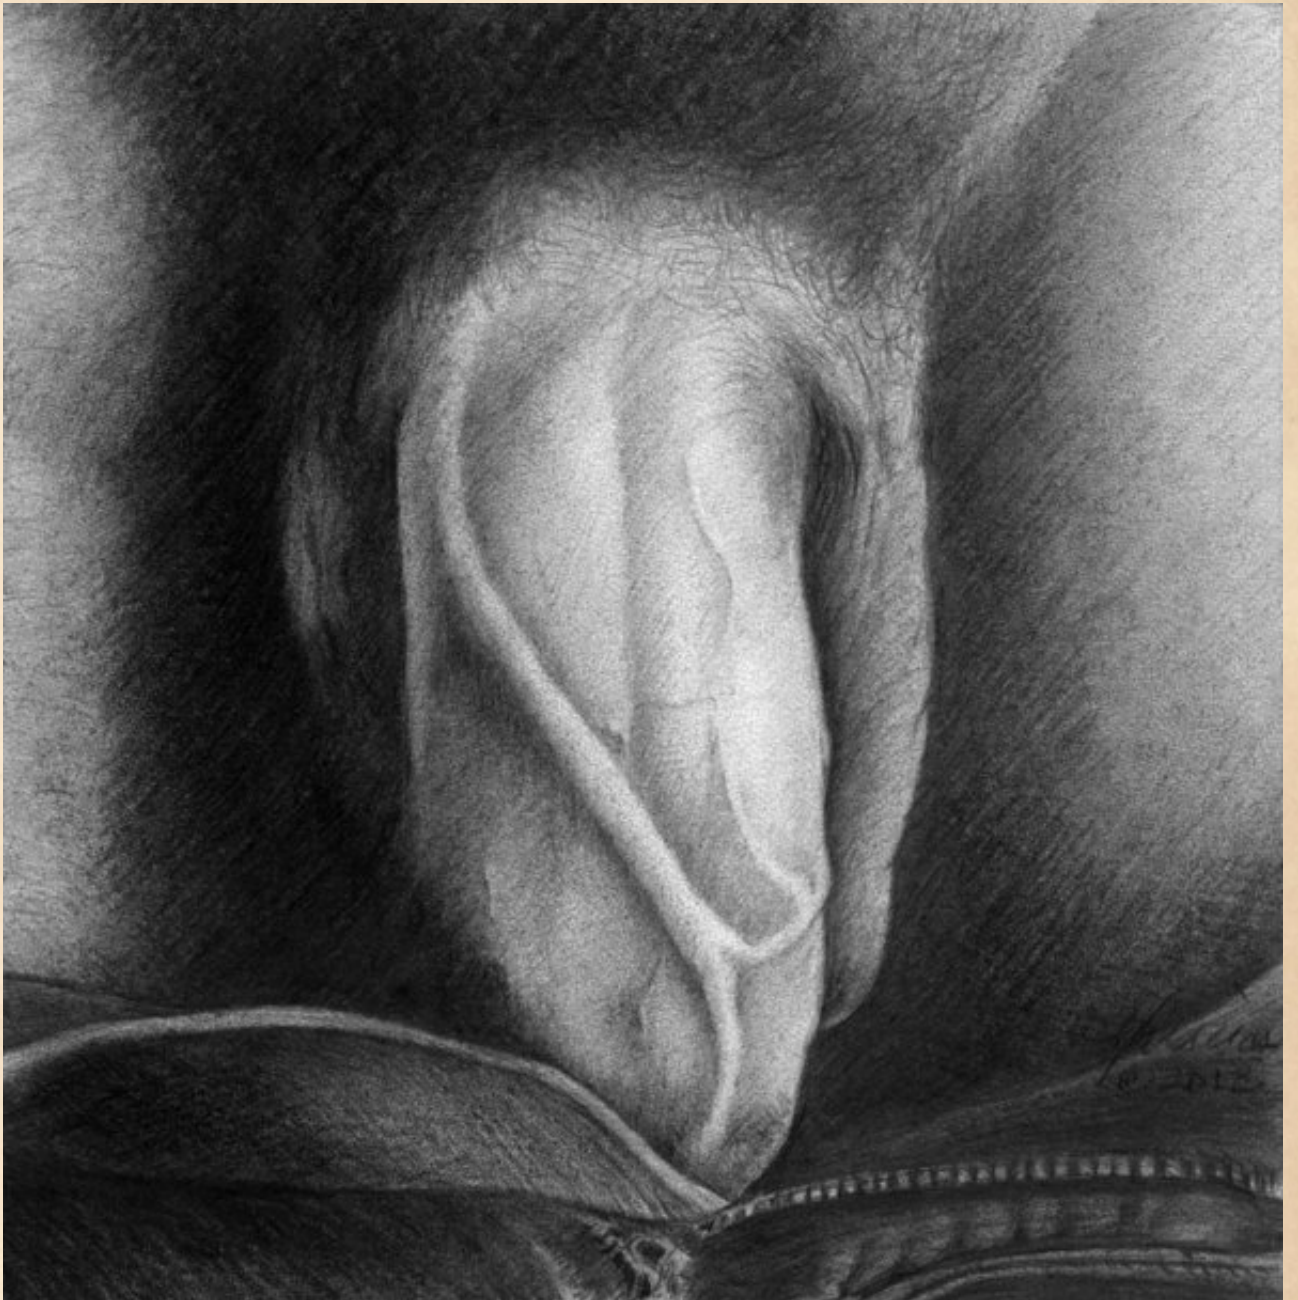

1 Sketches

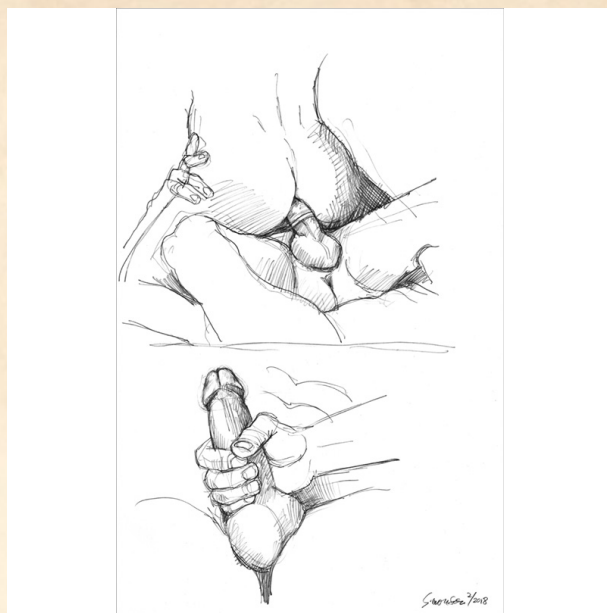

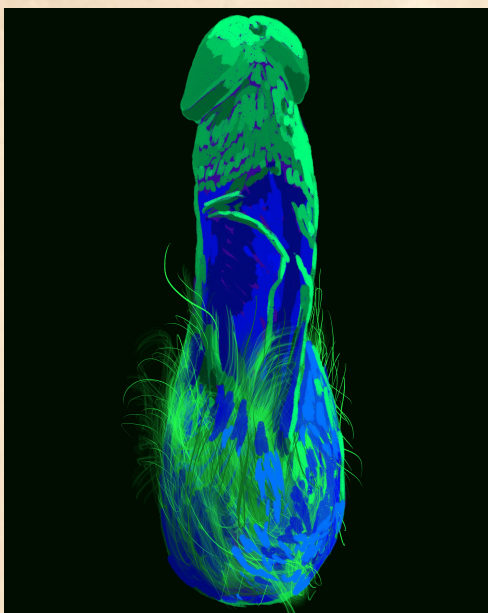

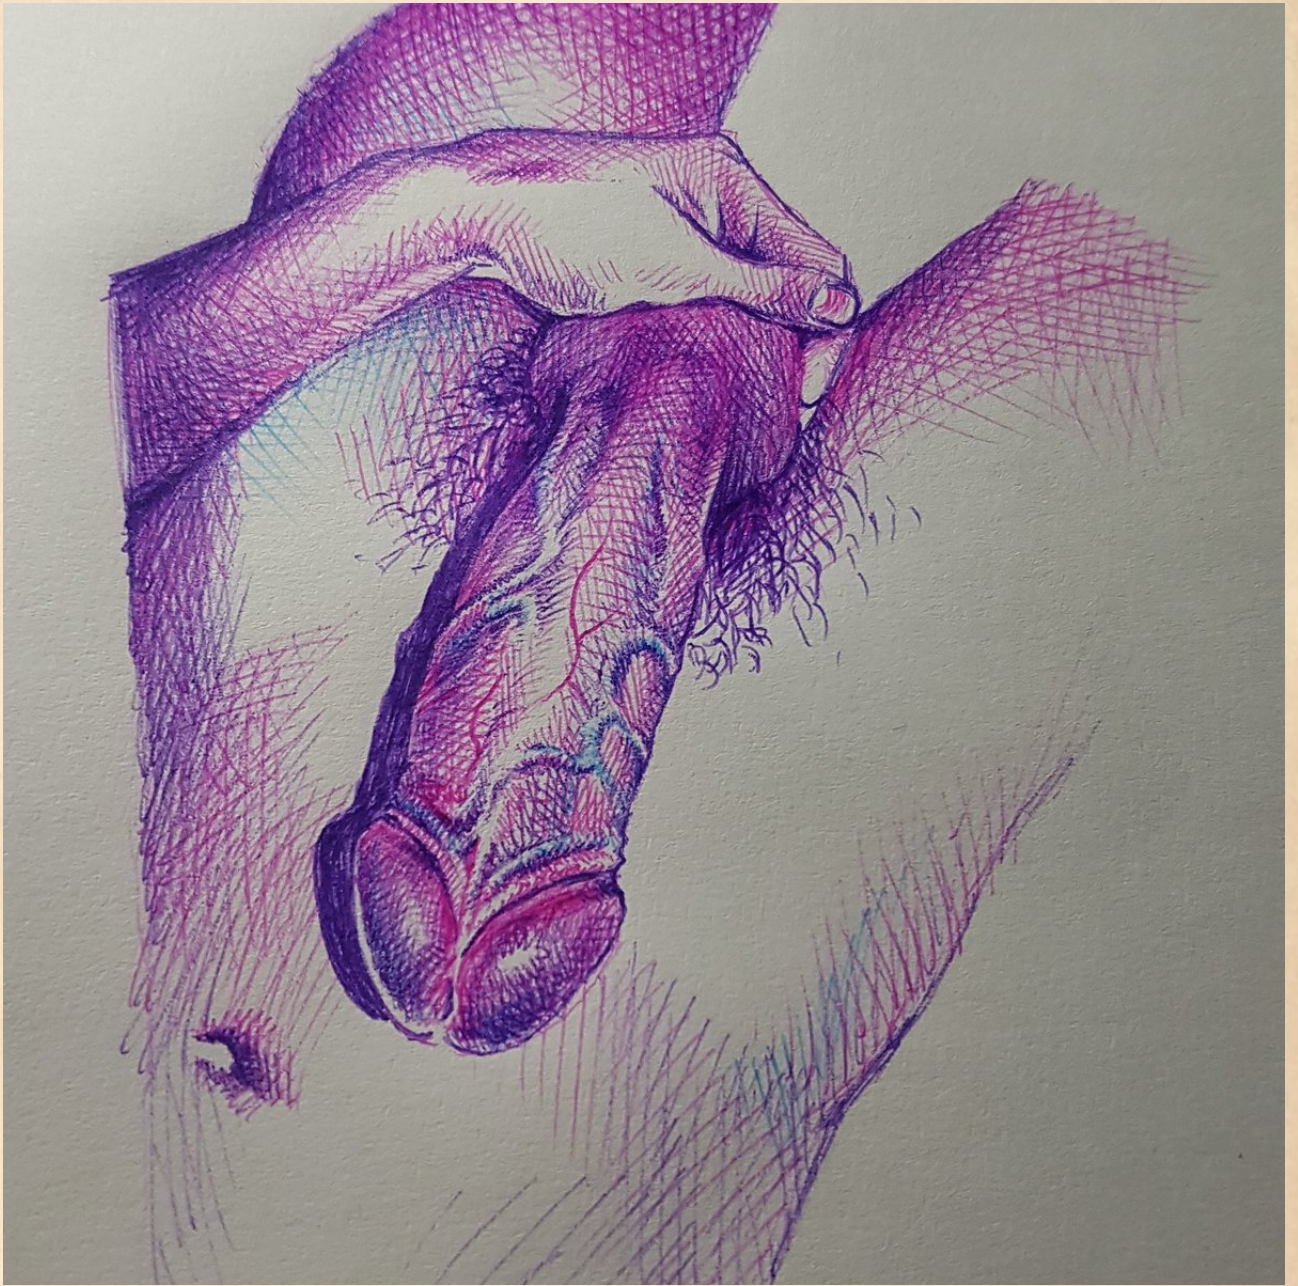

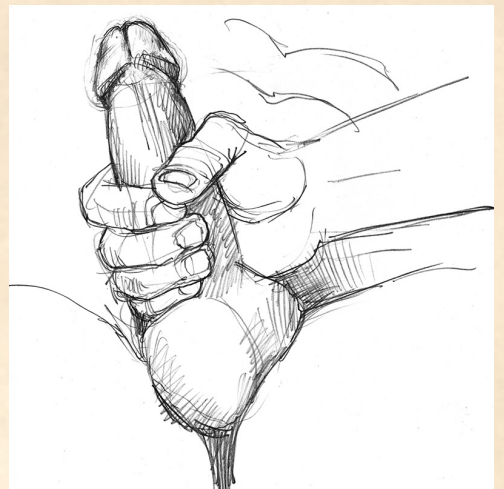

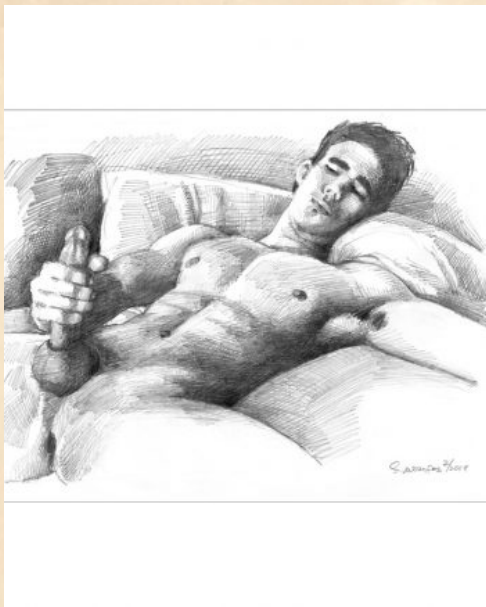

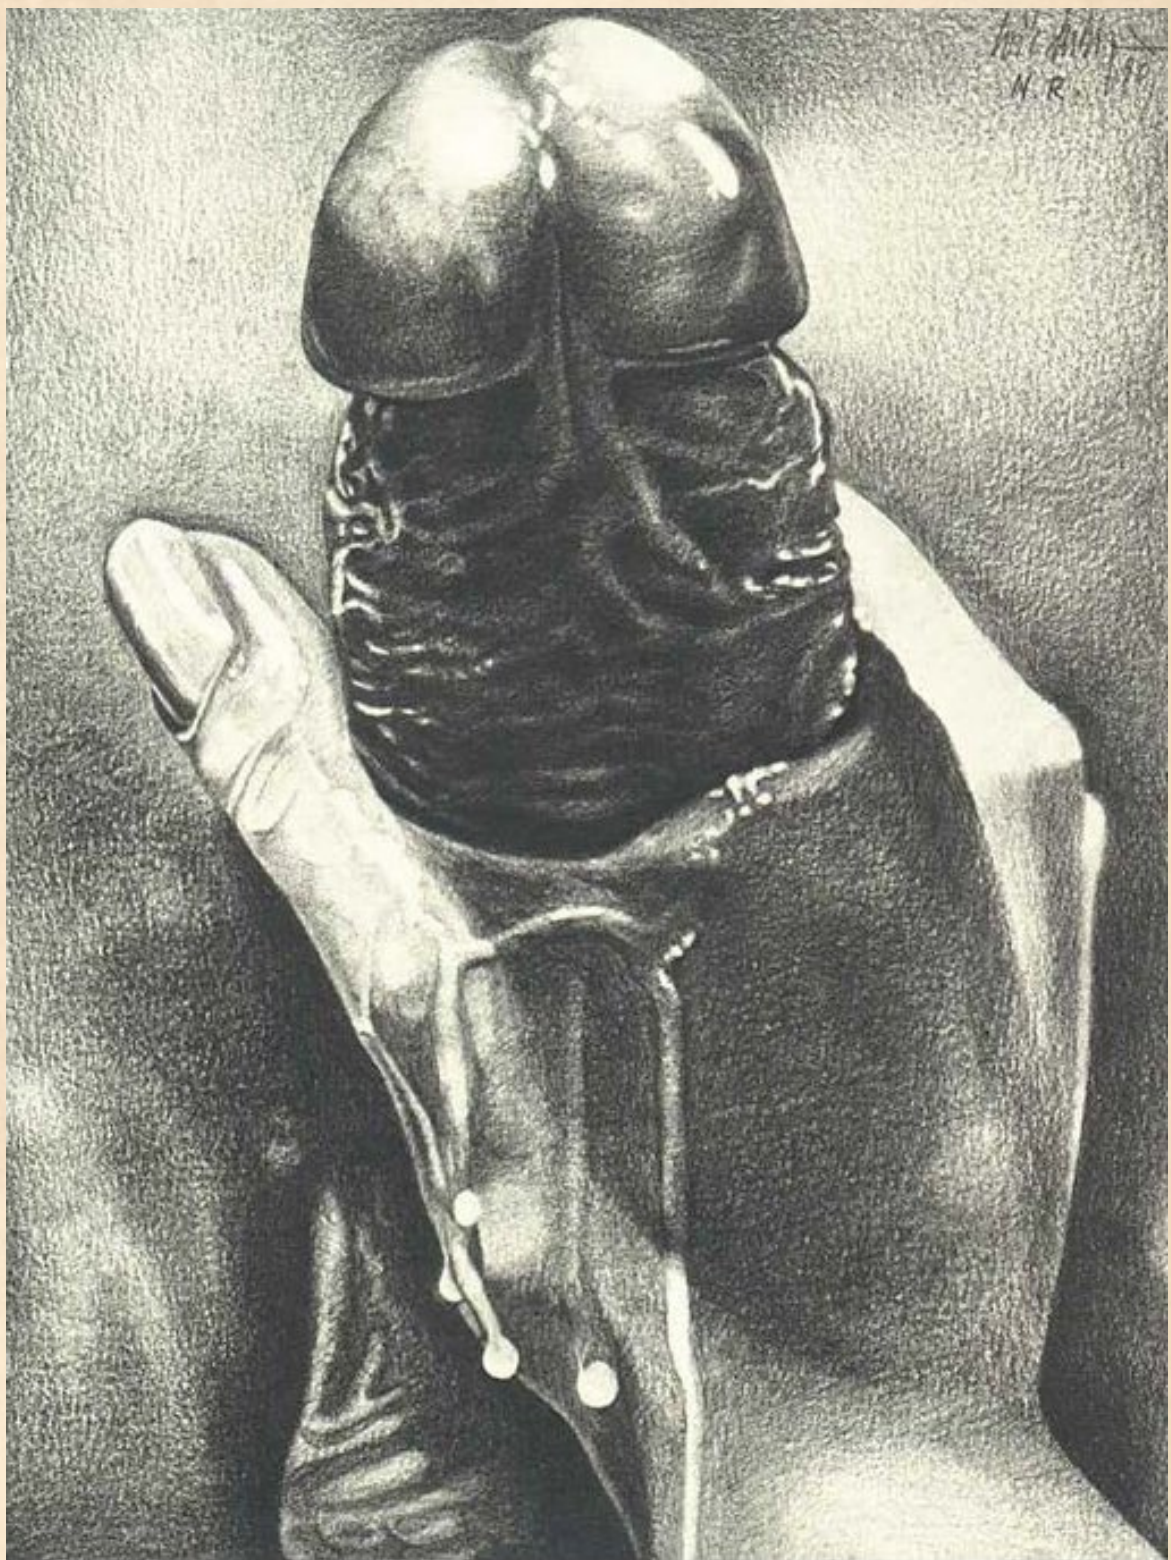

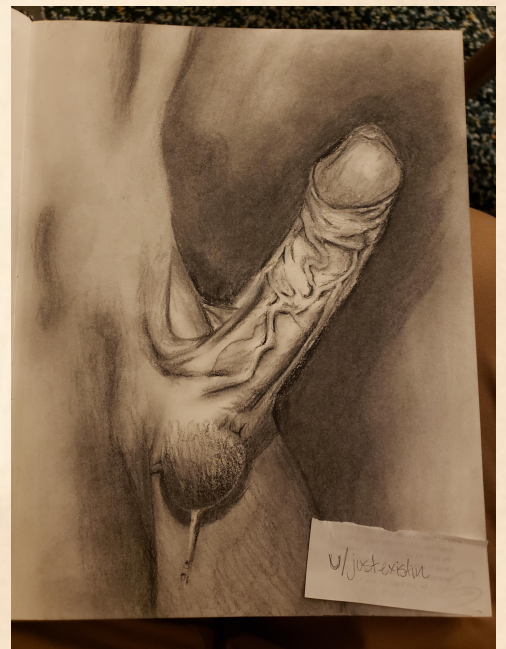

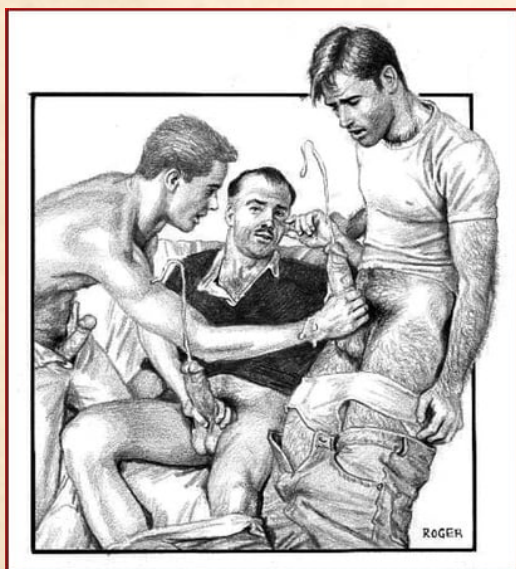

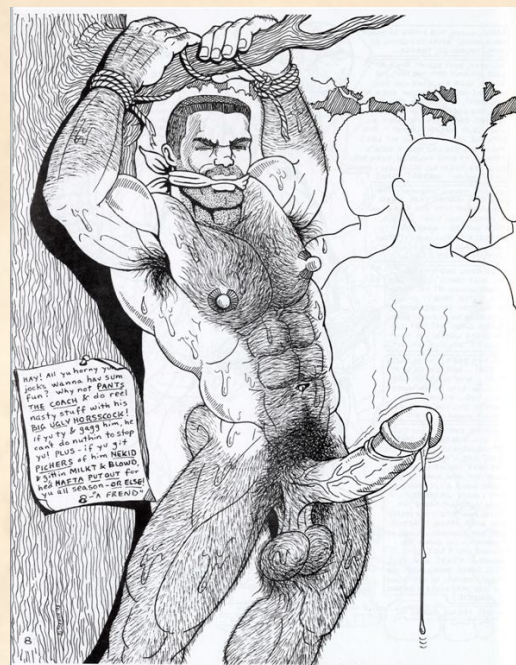

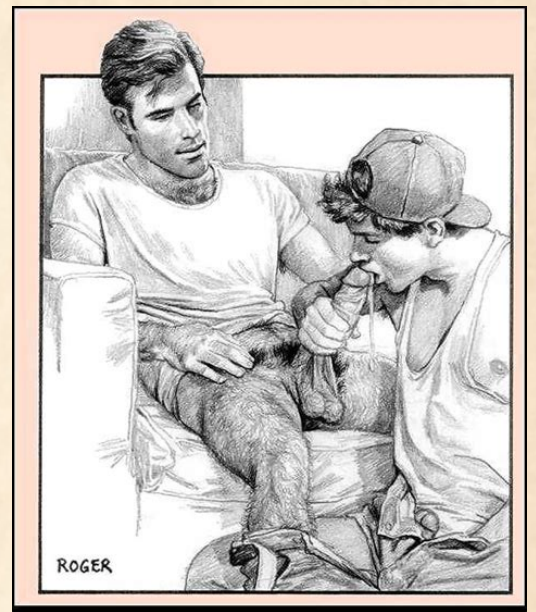

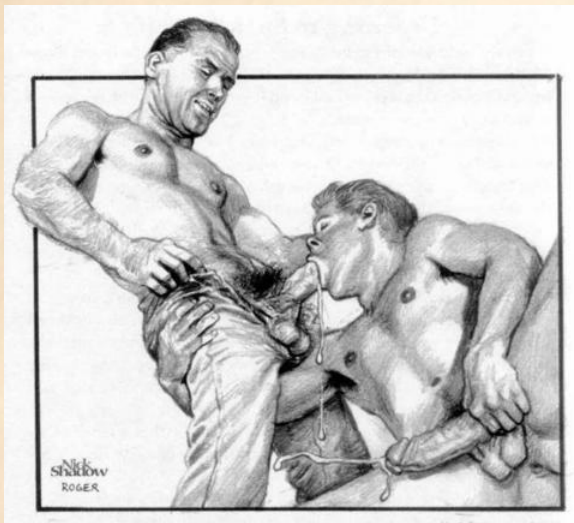

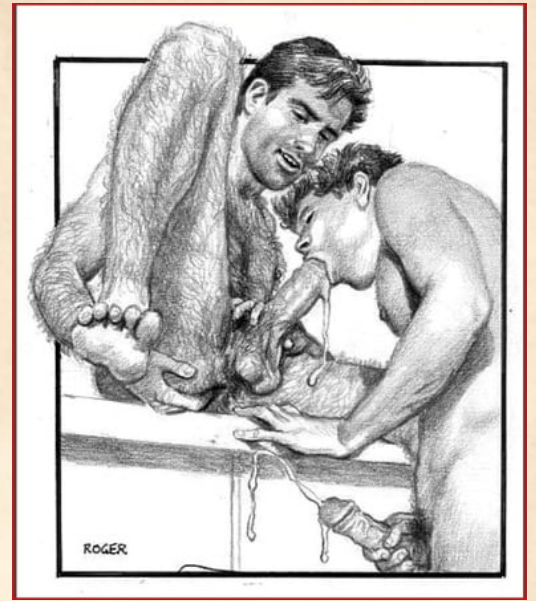

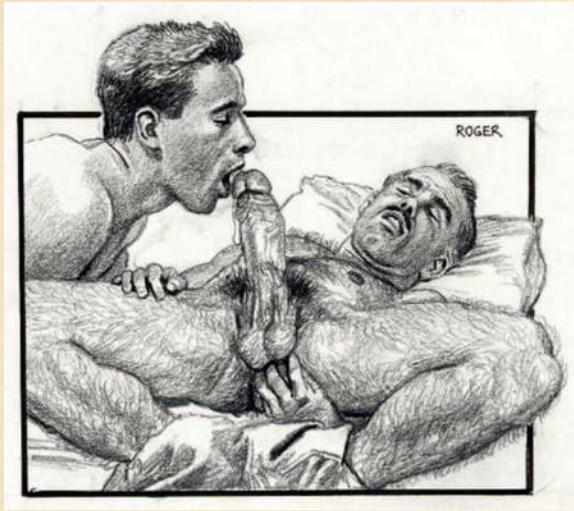

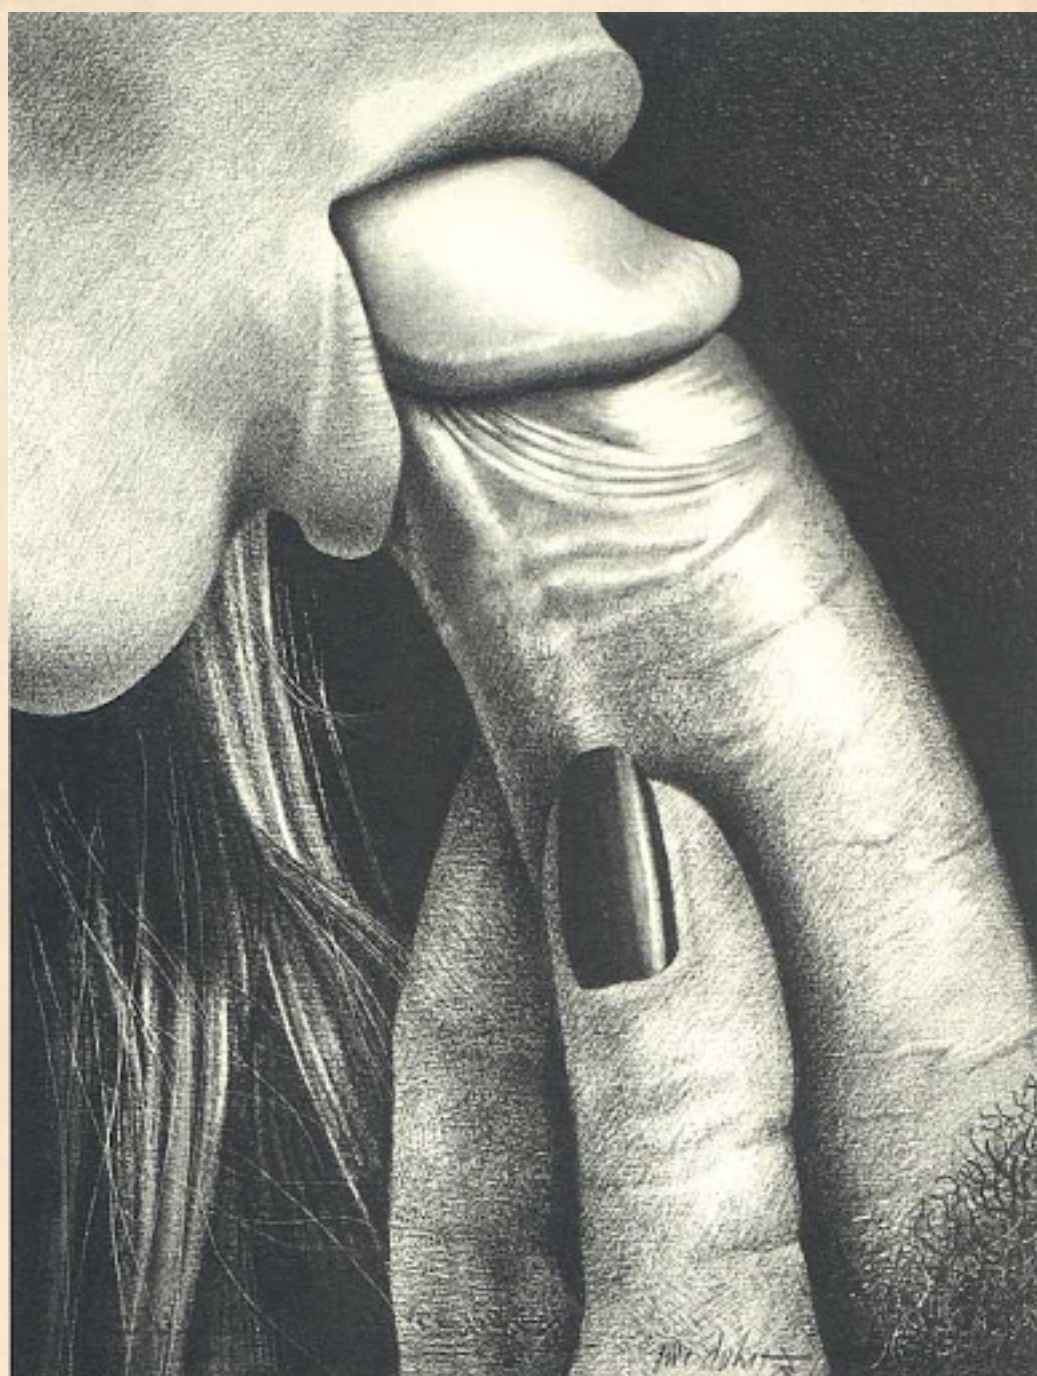

2 Advanced Sketches

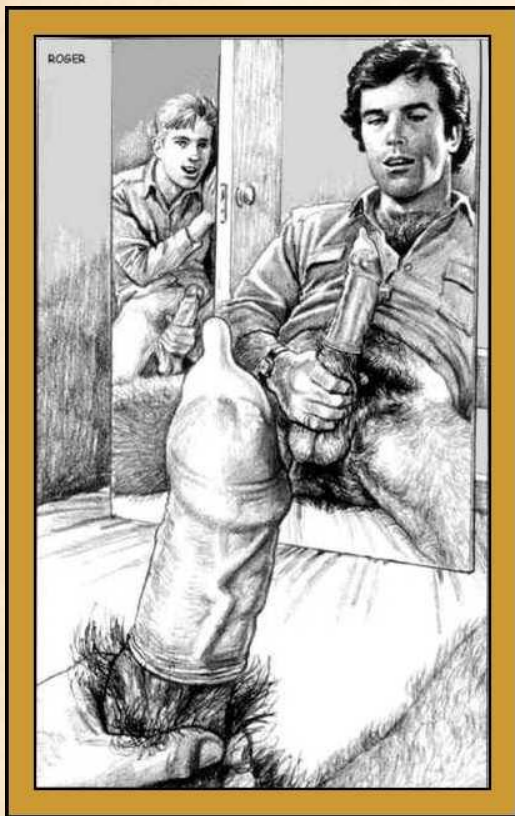

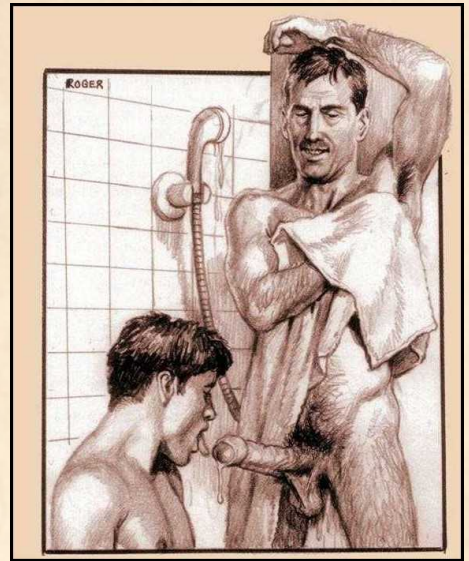

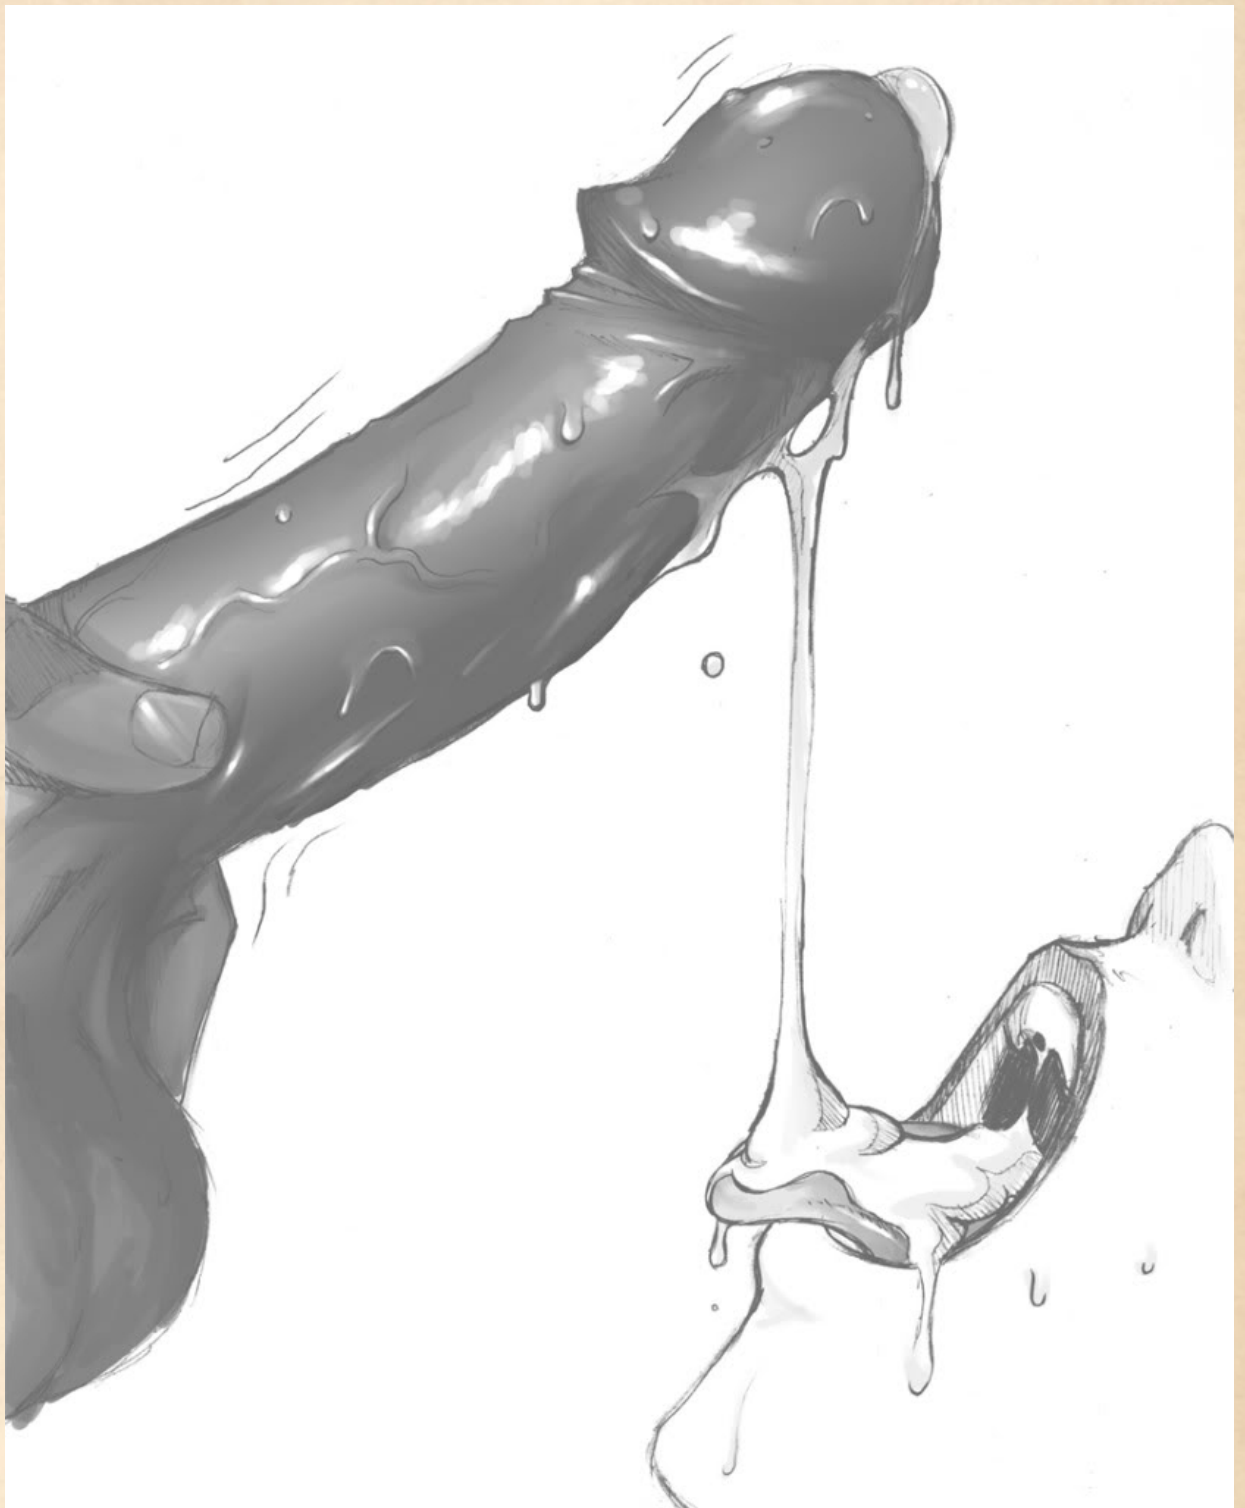

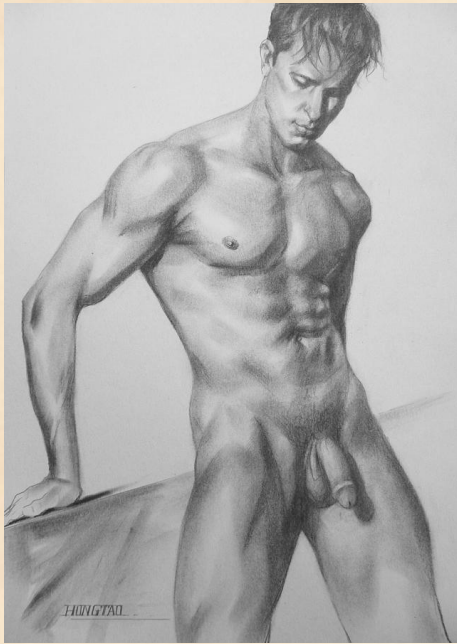

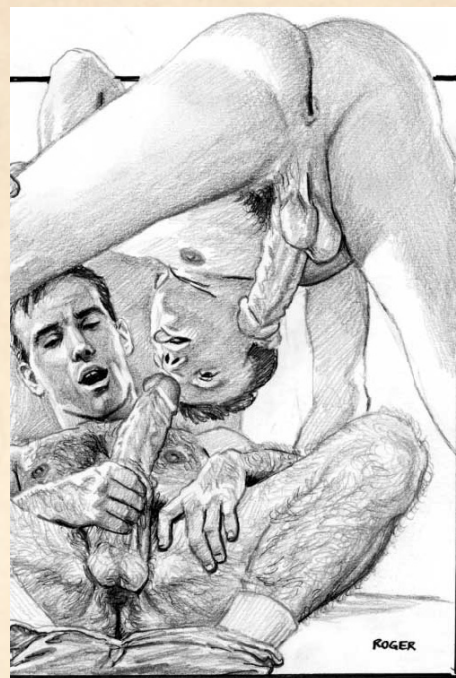

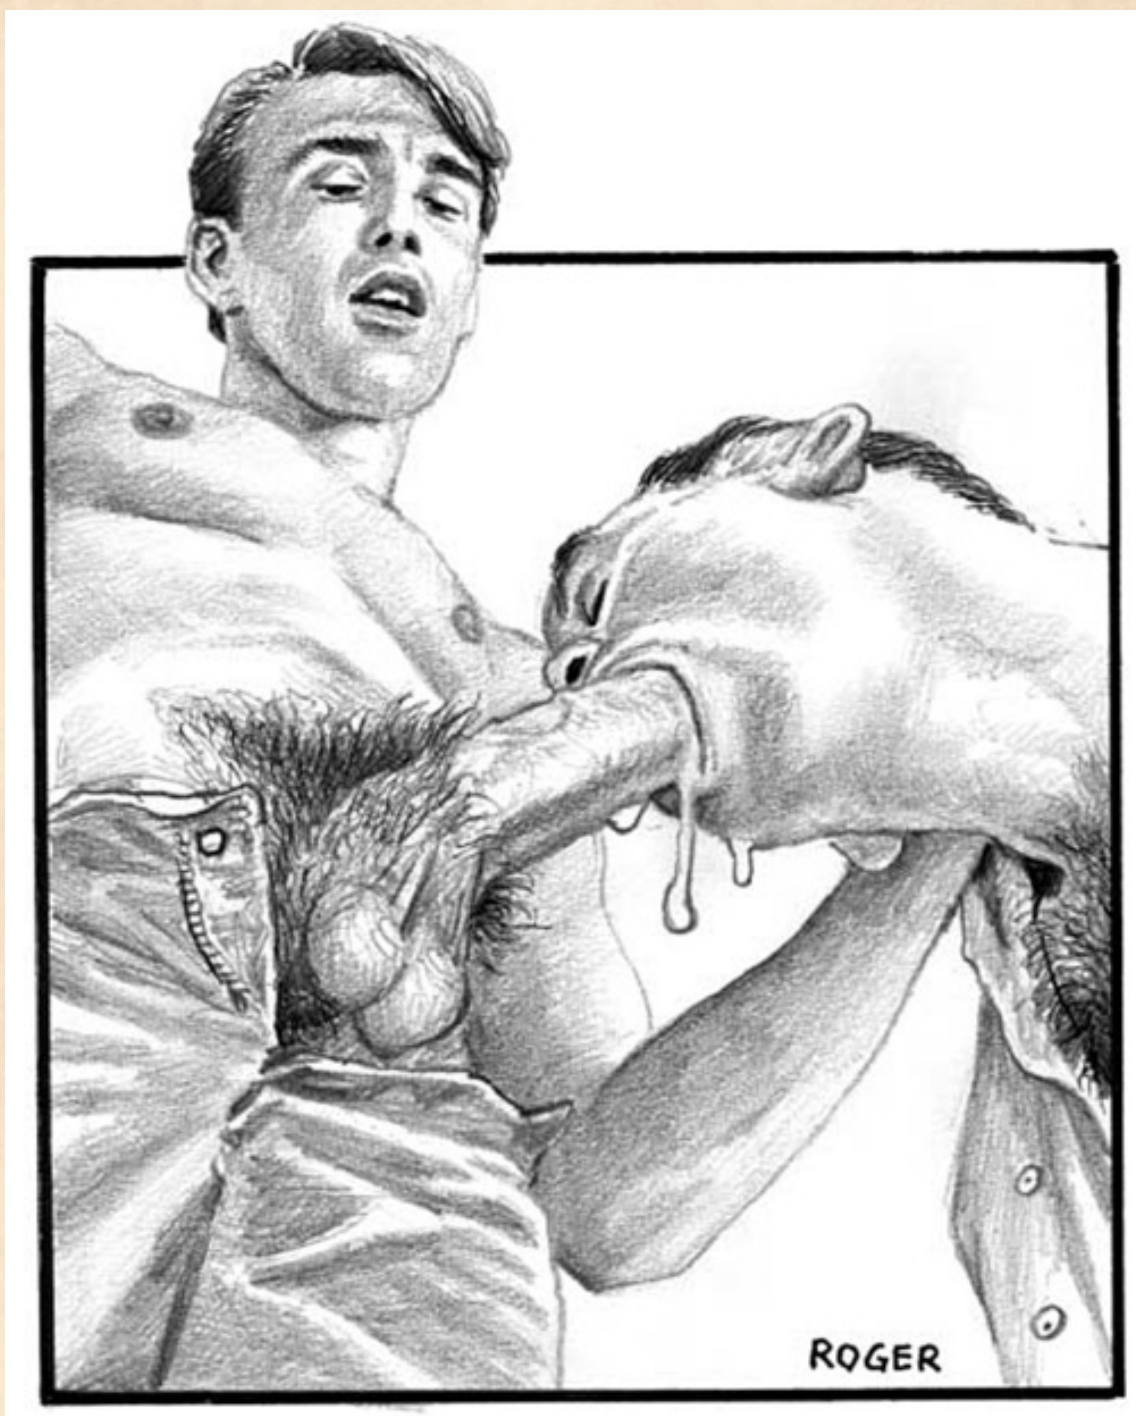

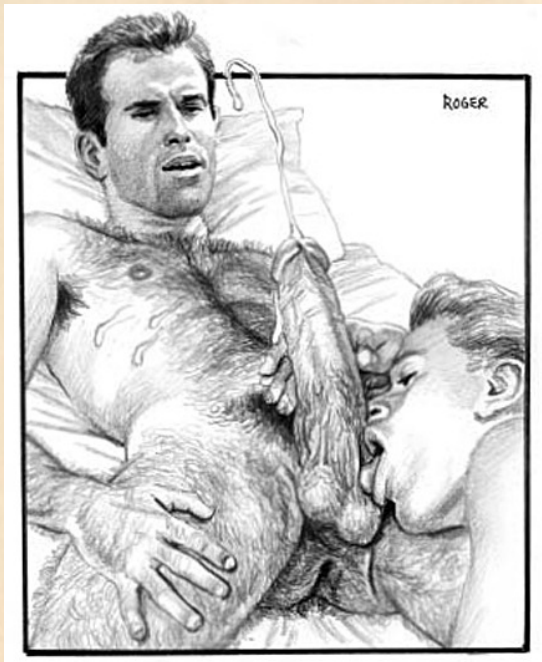

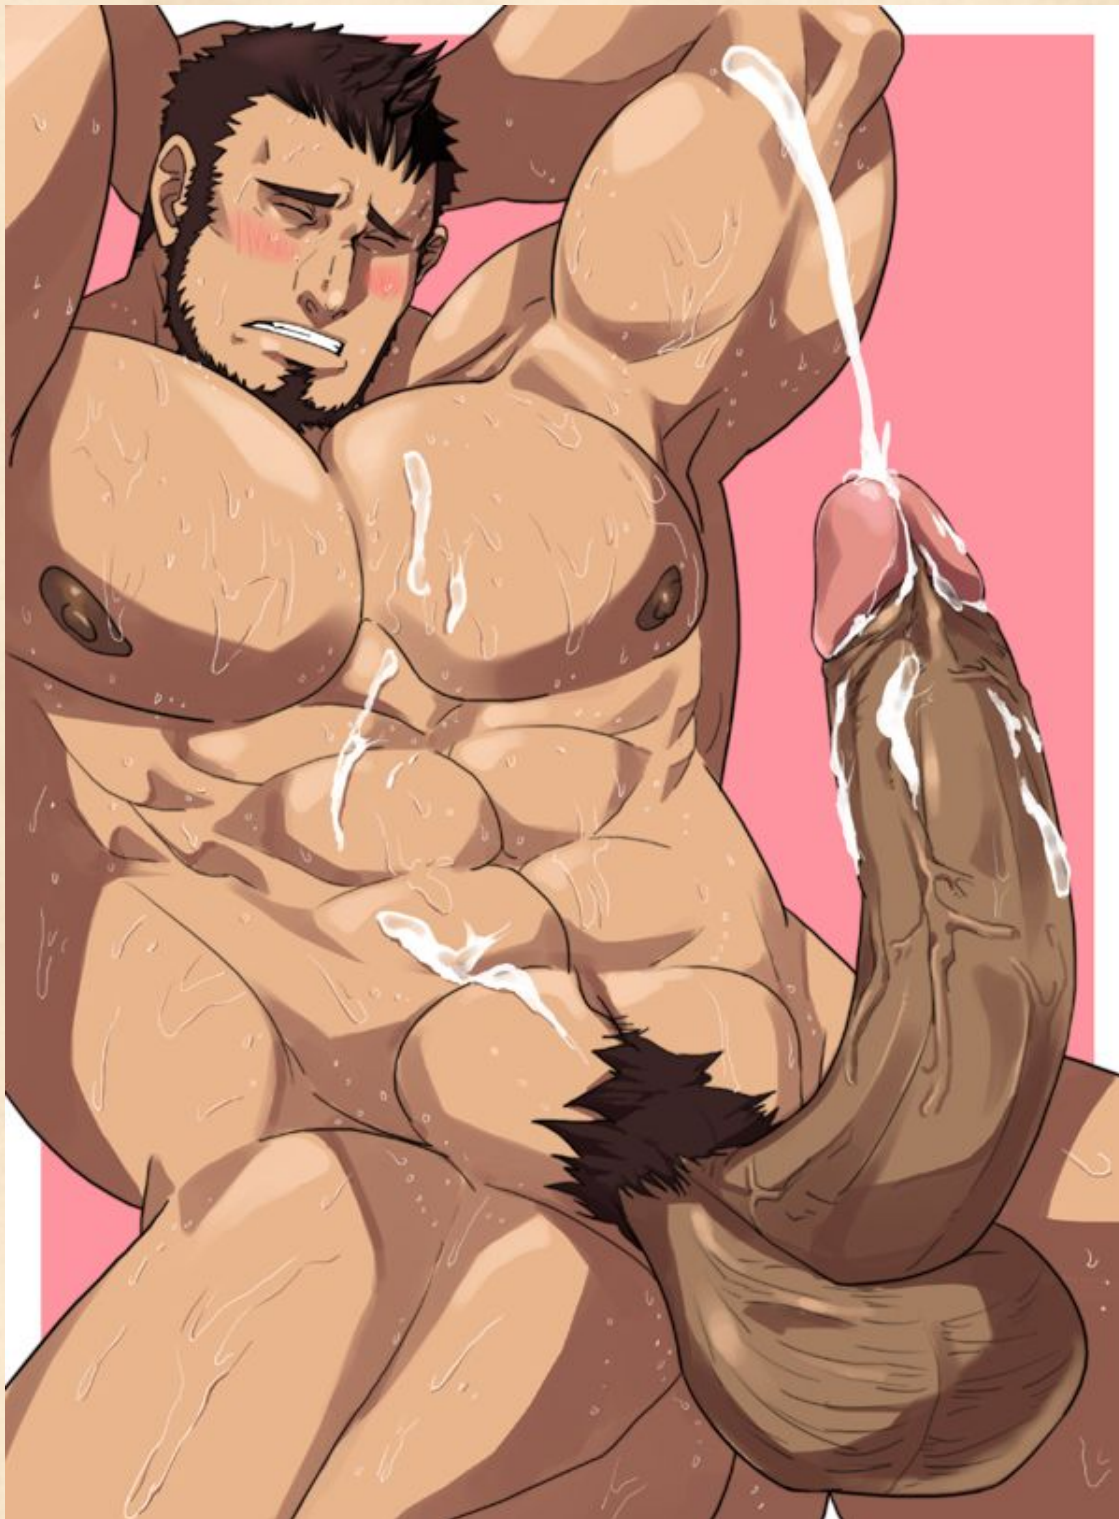

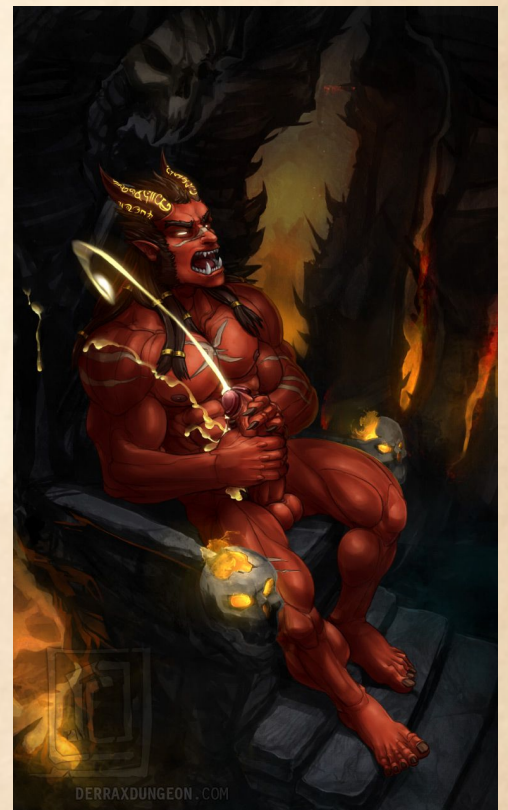

3 Comics

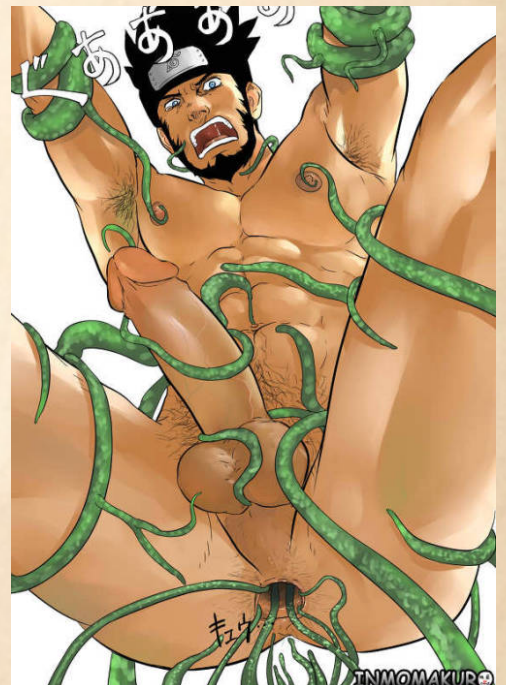

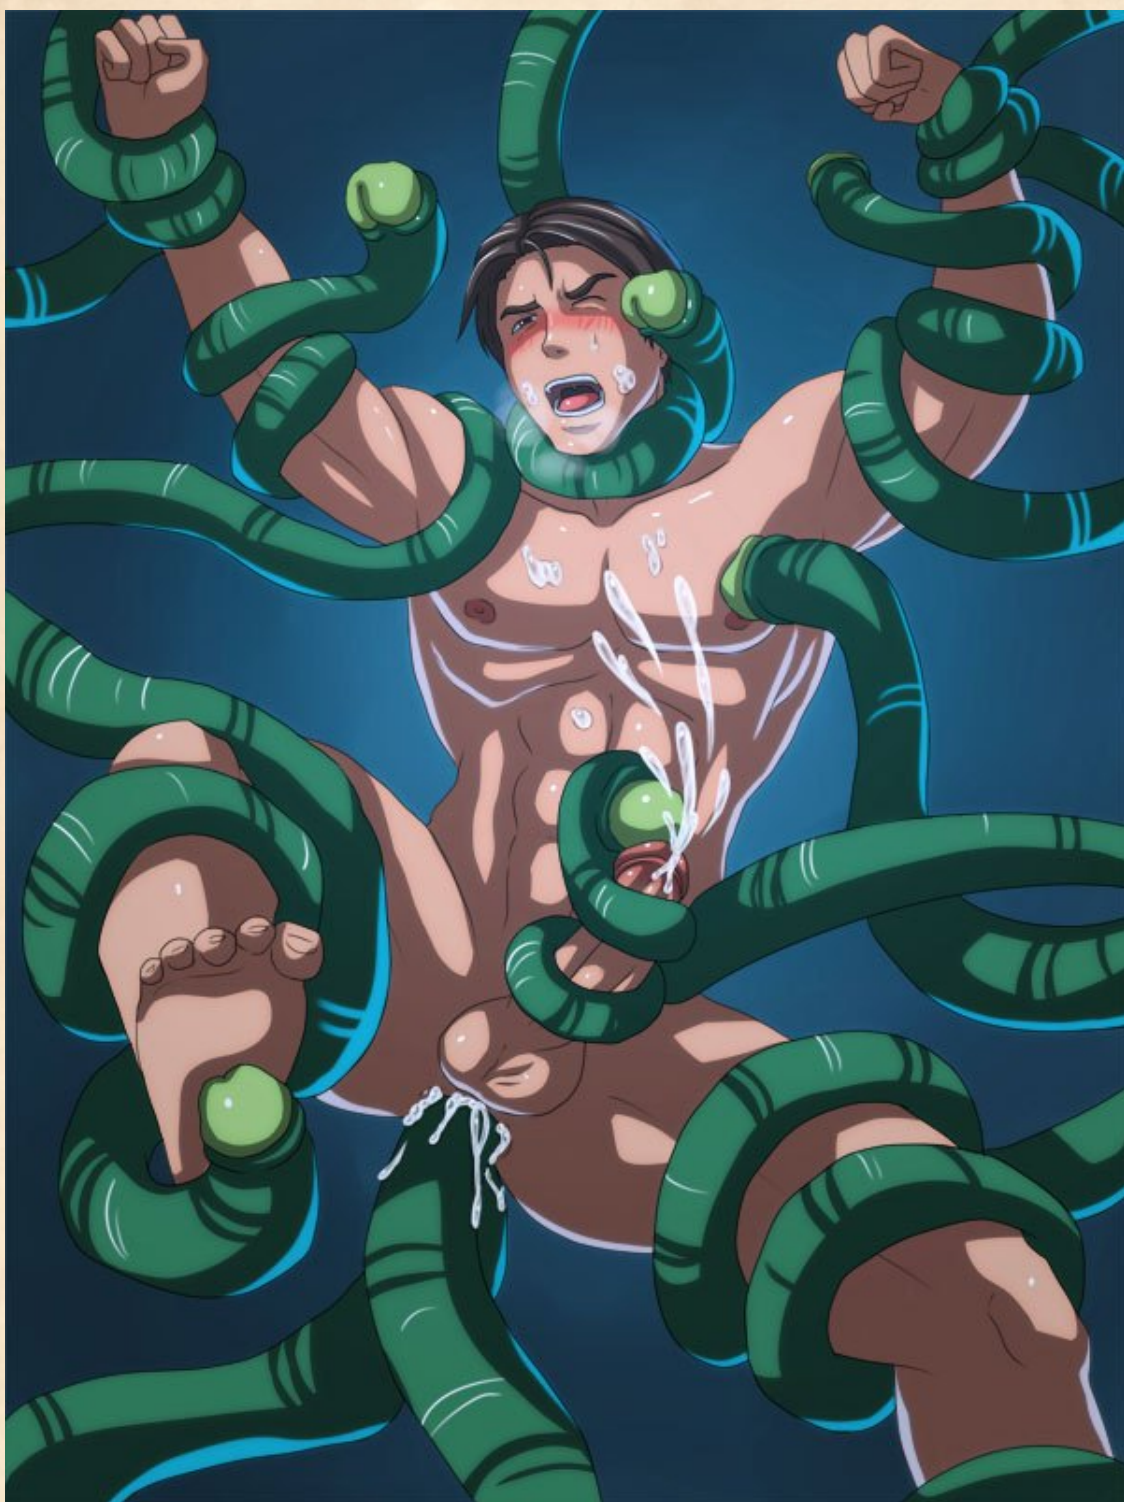

4 Tentacles

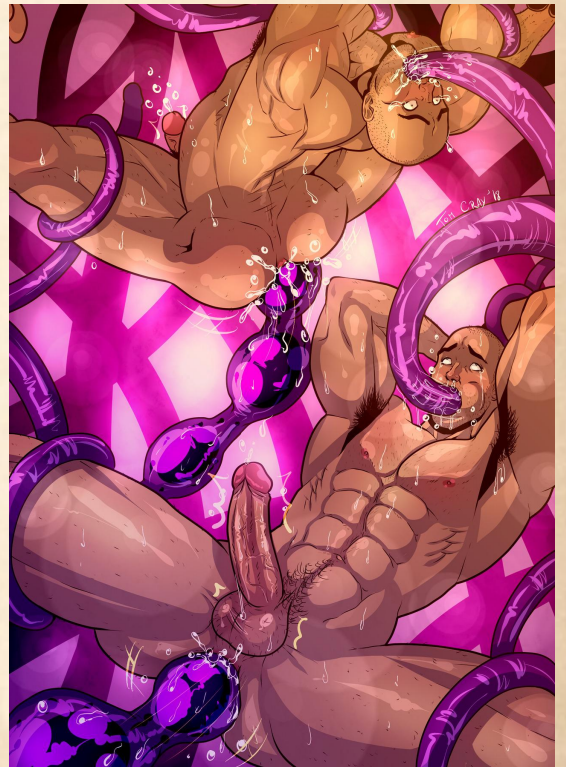

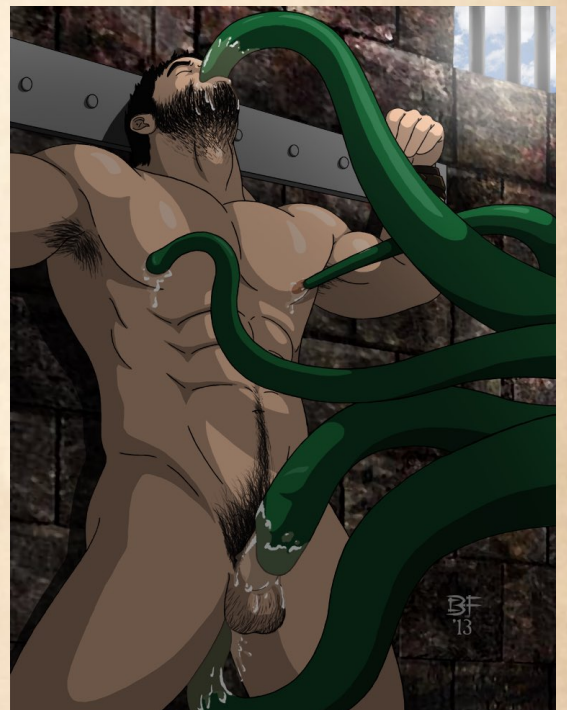

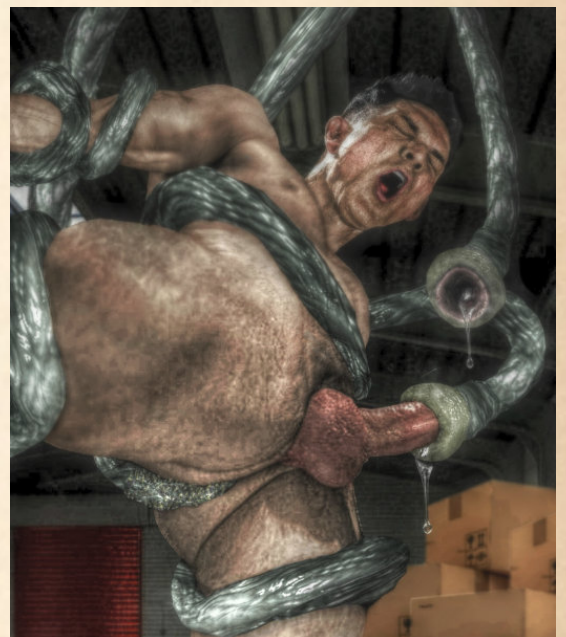

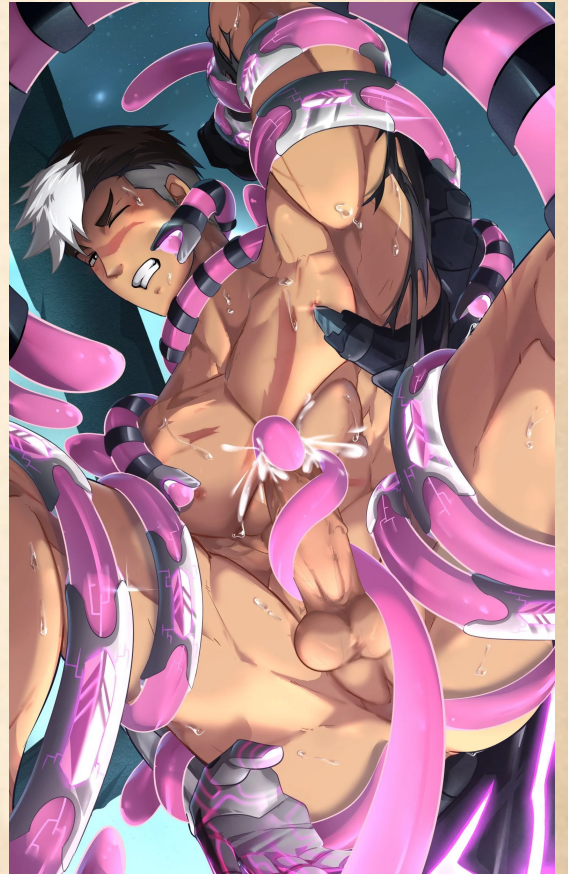

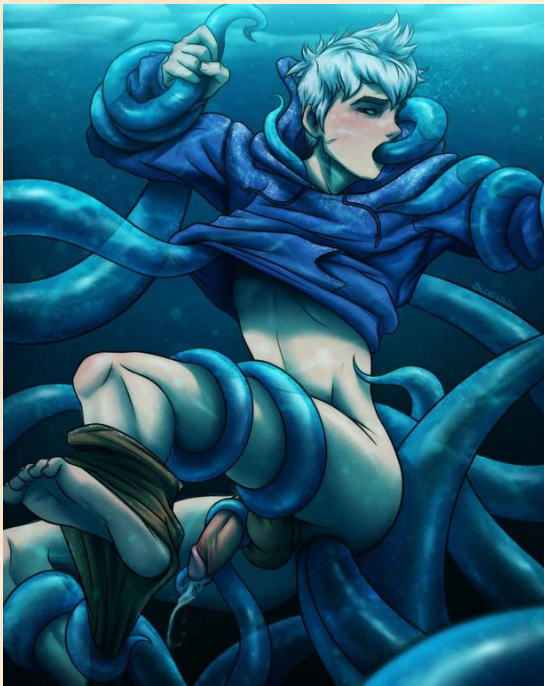

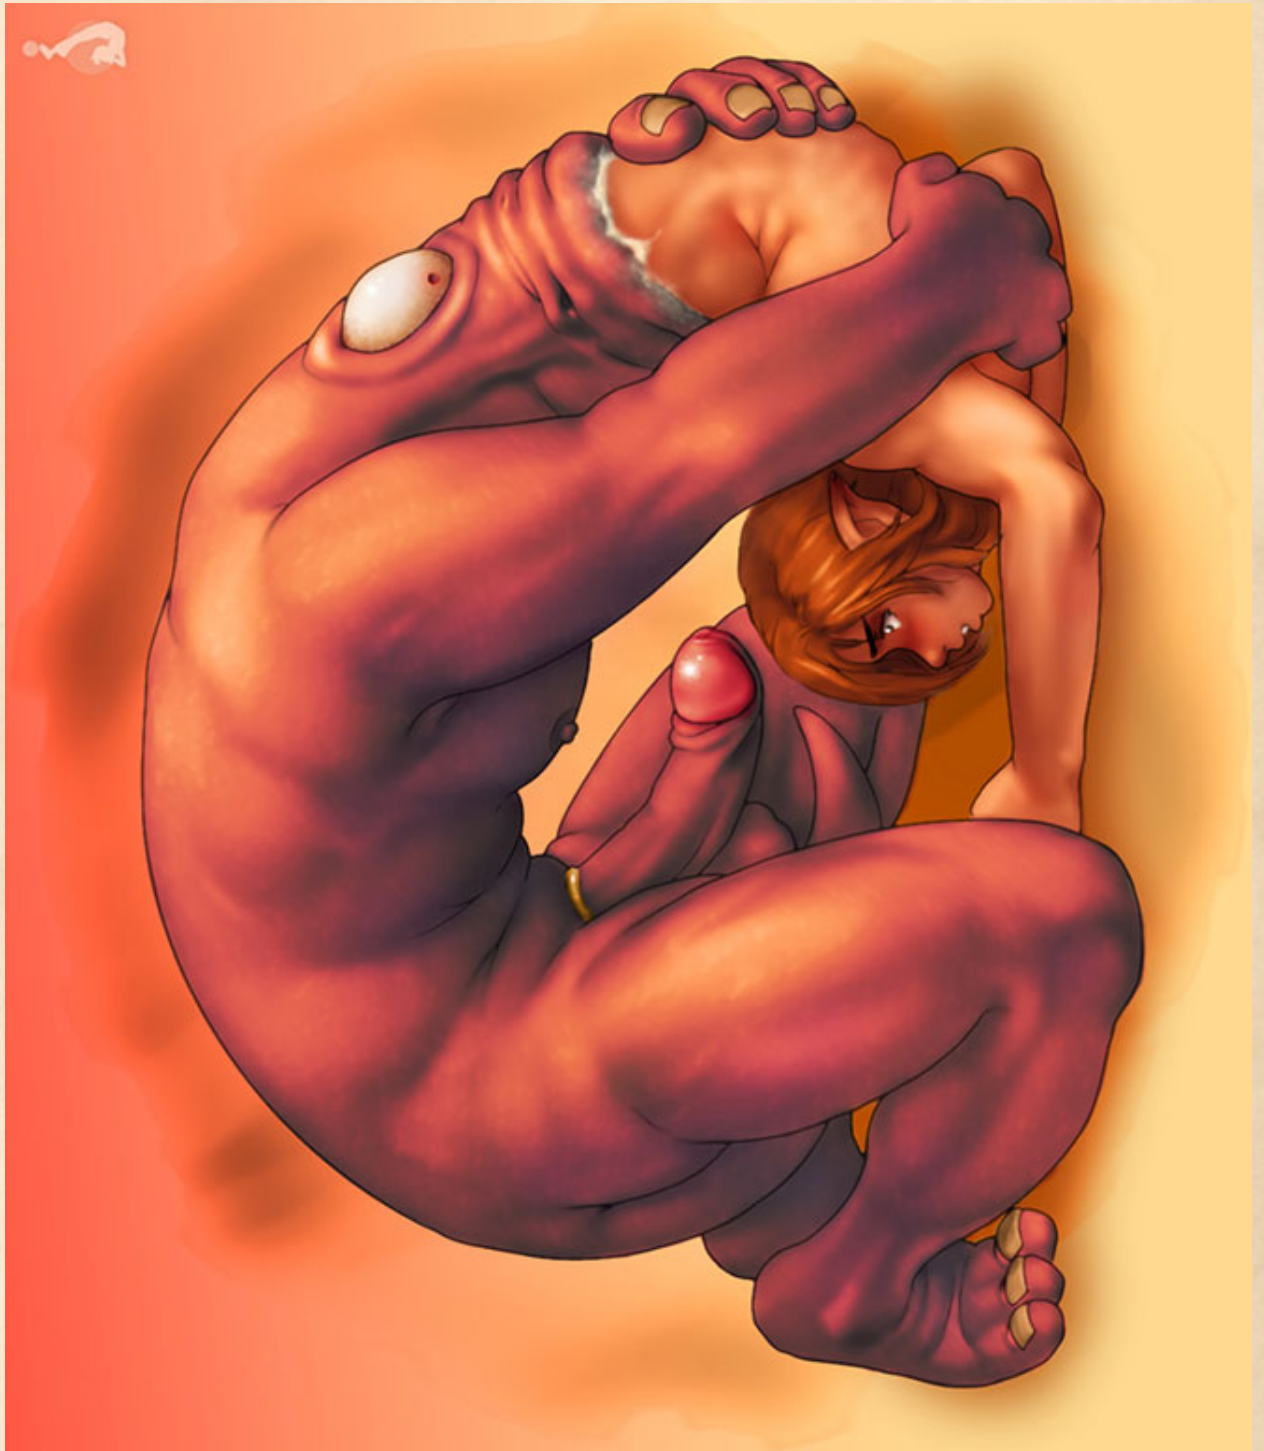

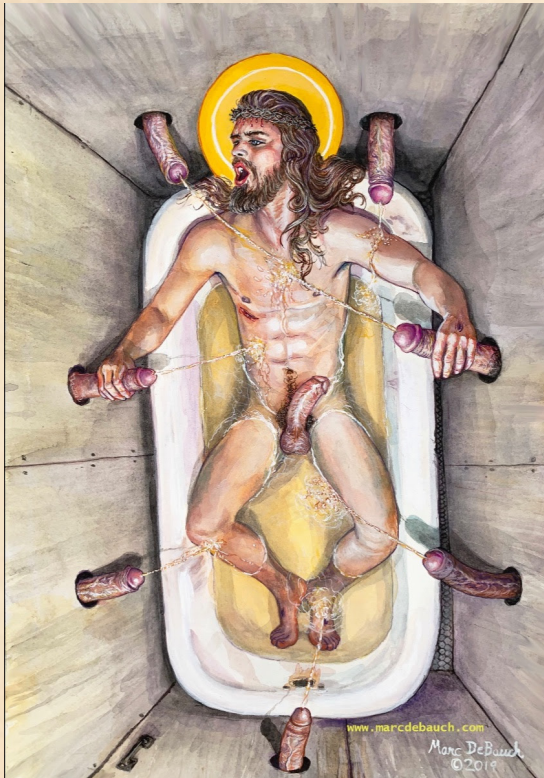

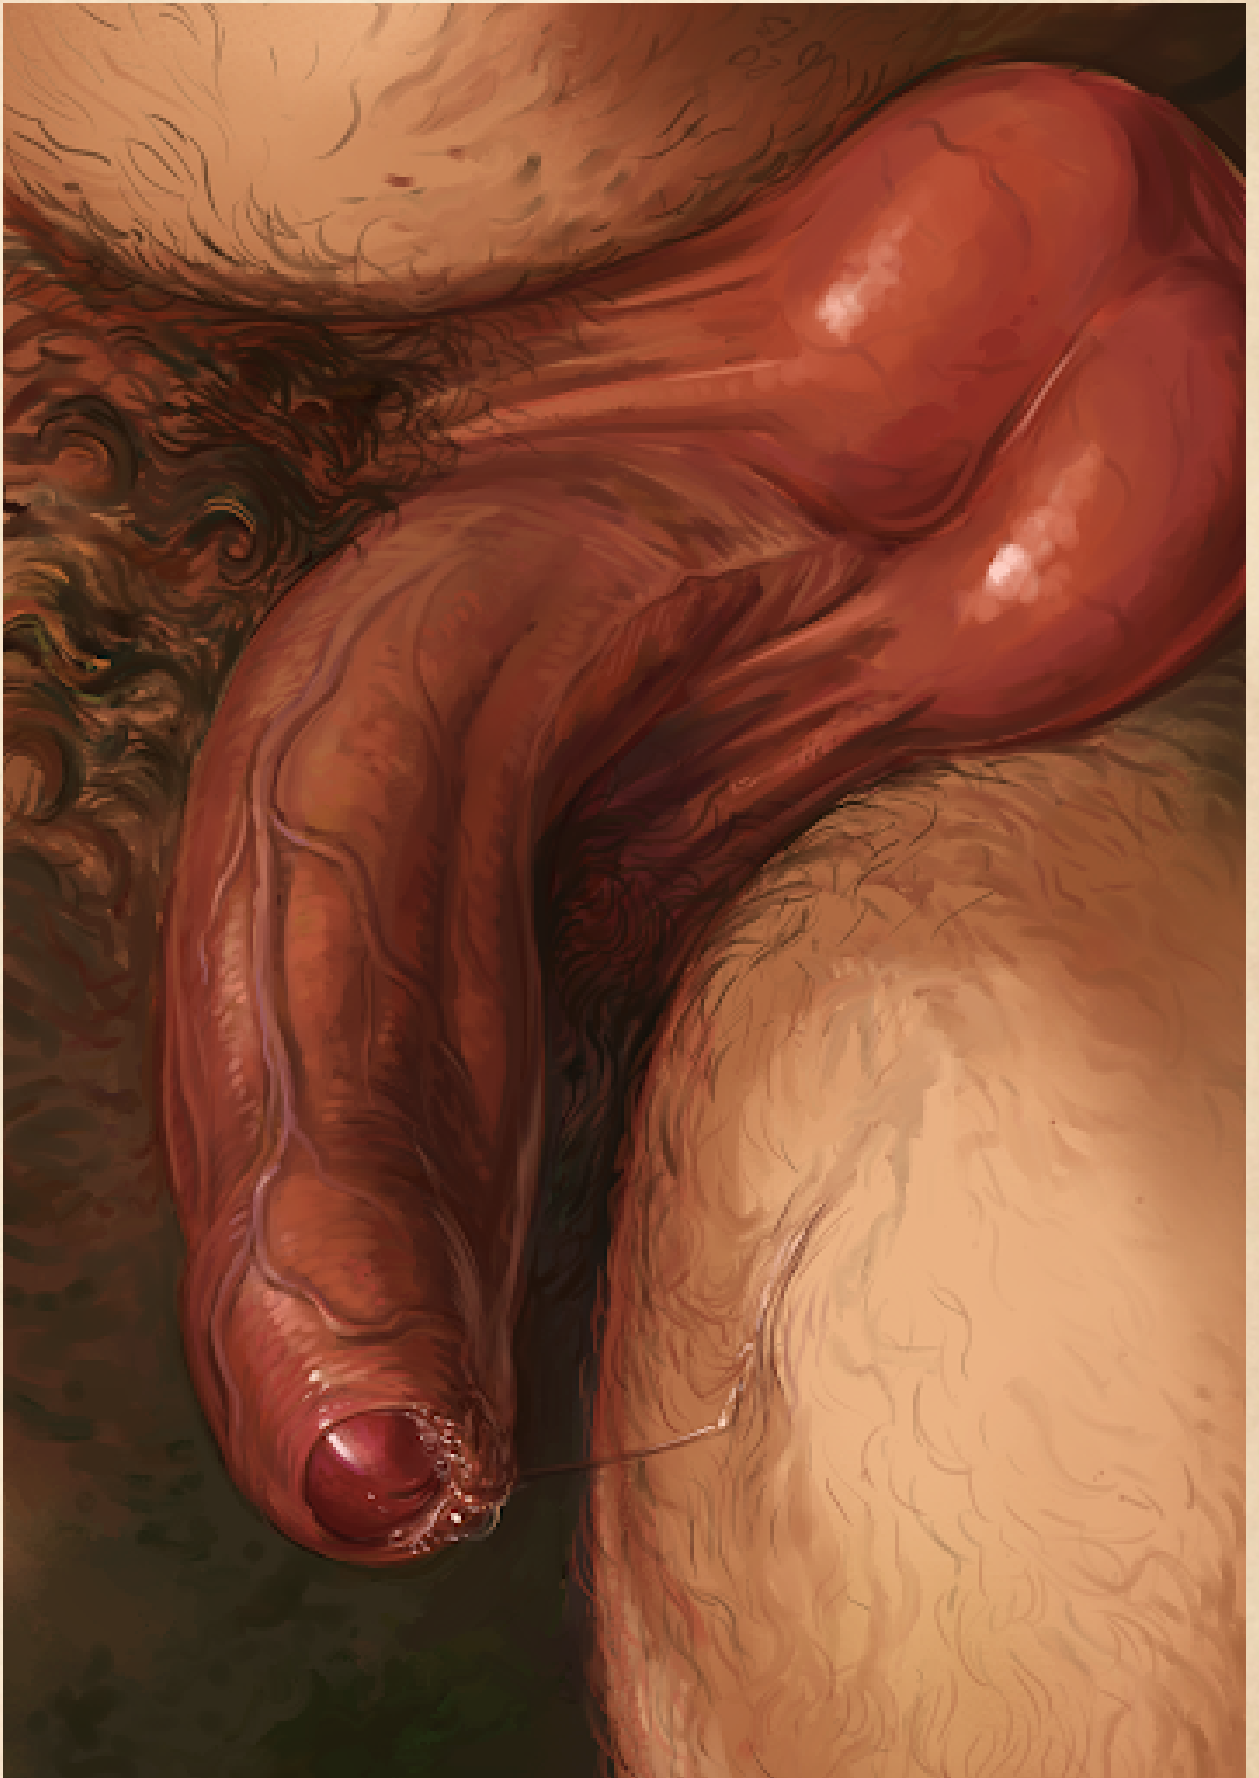

5 Painting

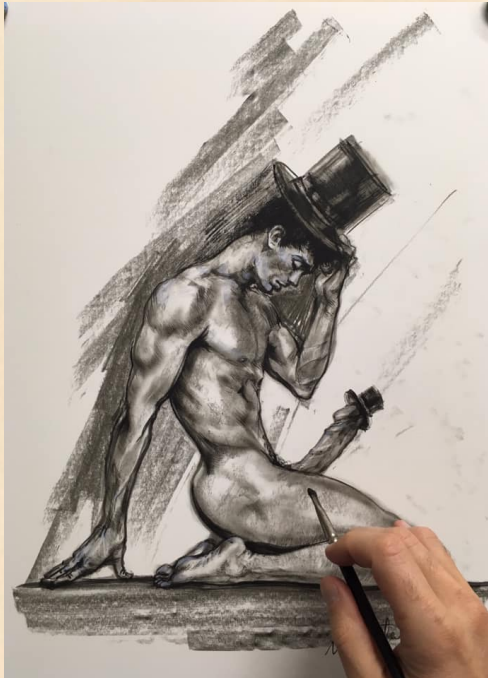

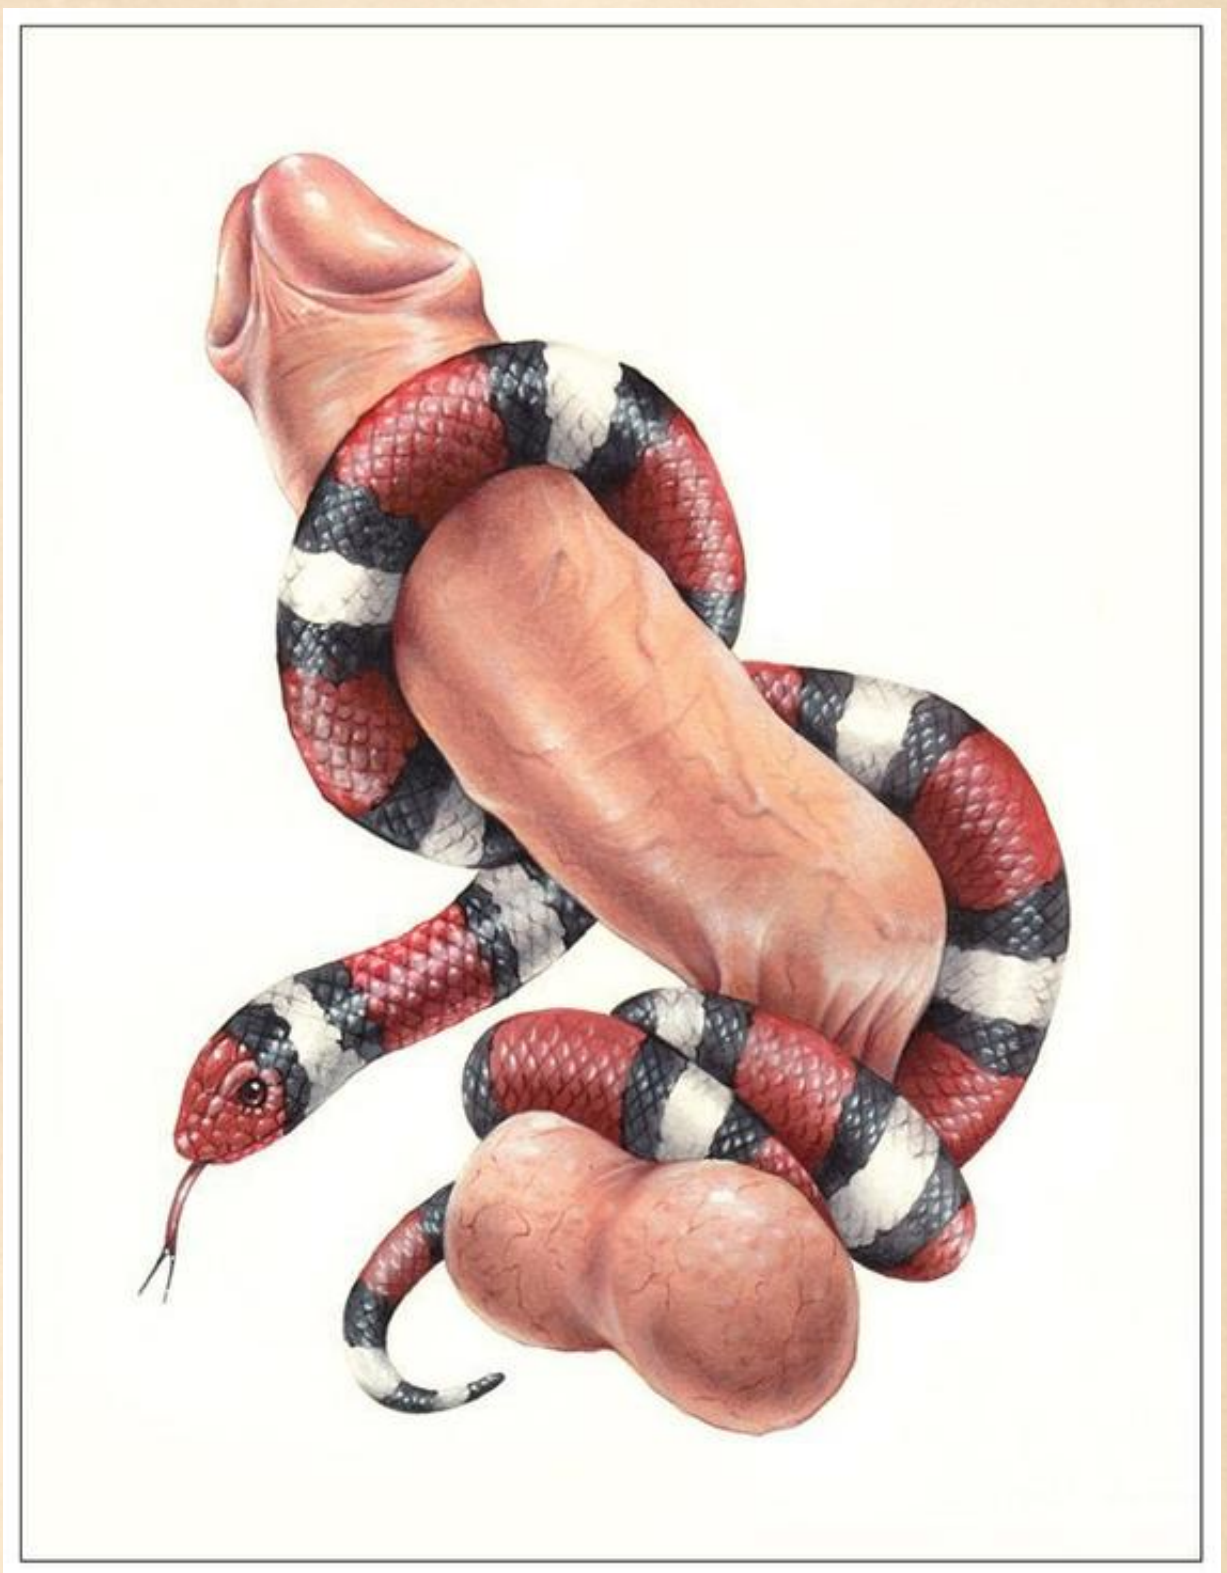

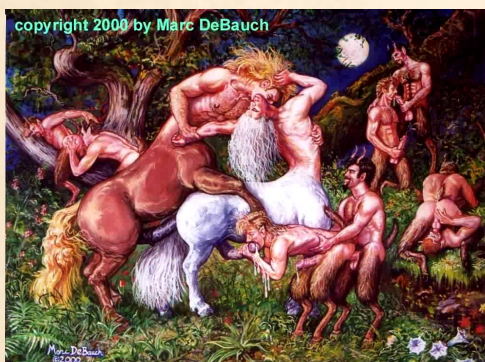

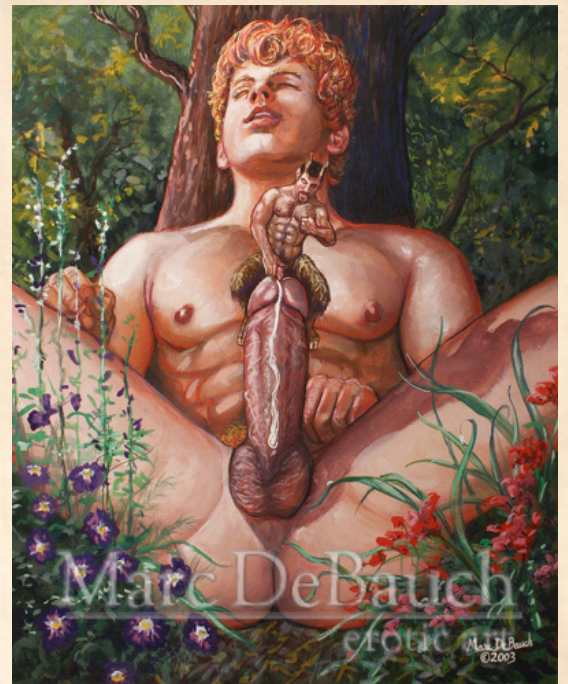

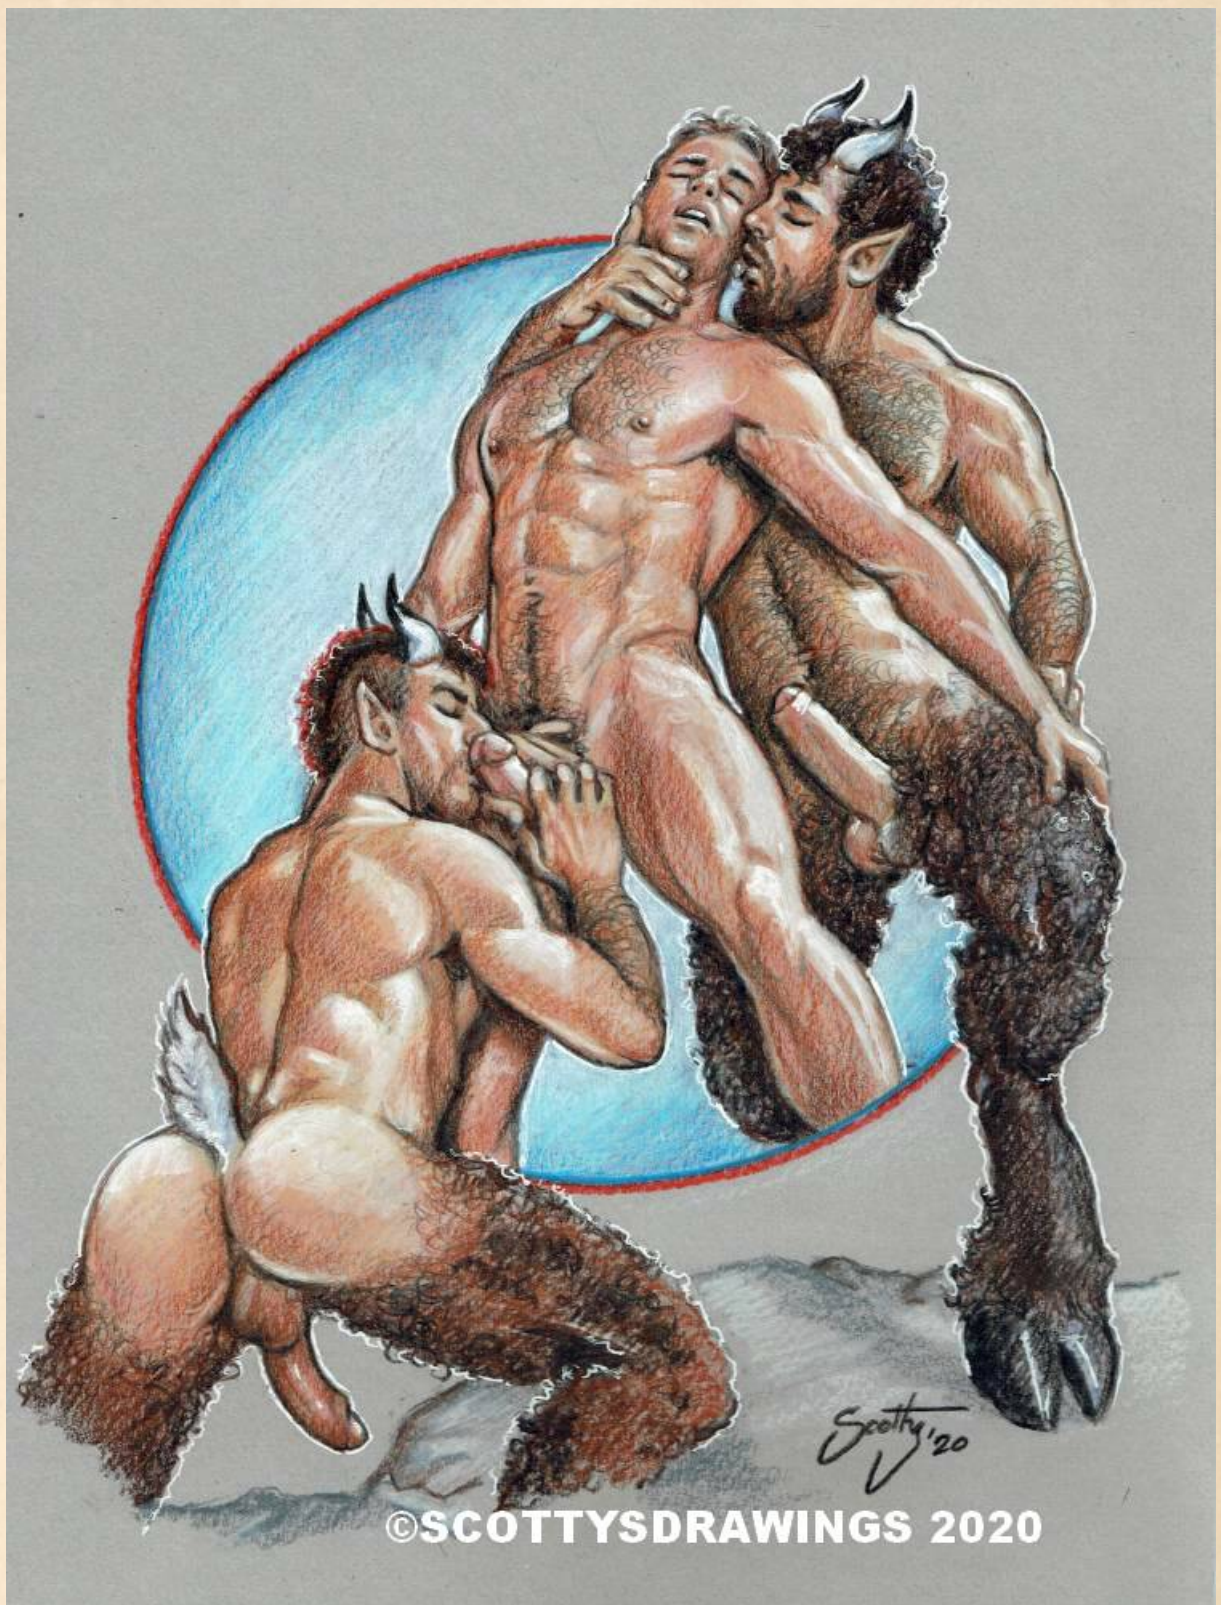

6 Mythology

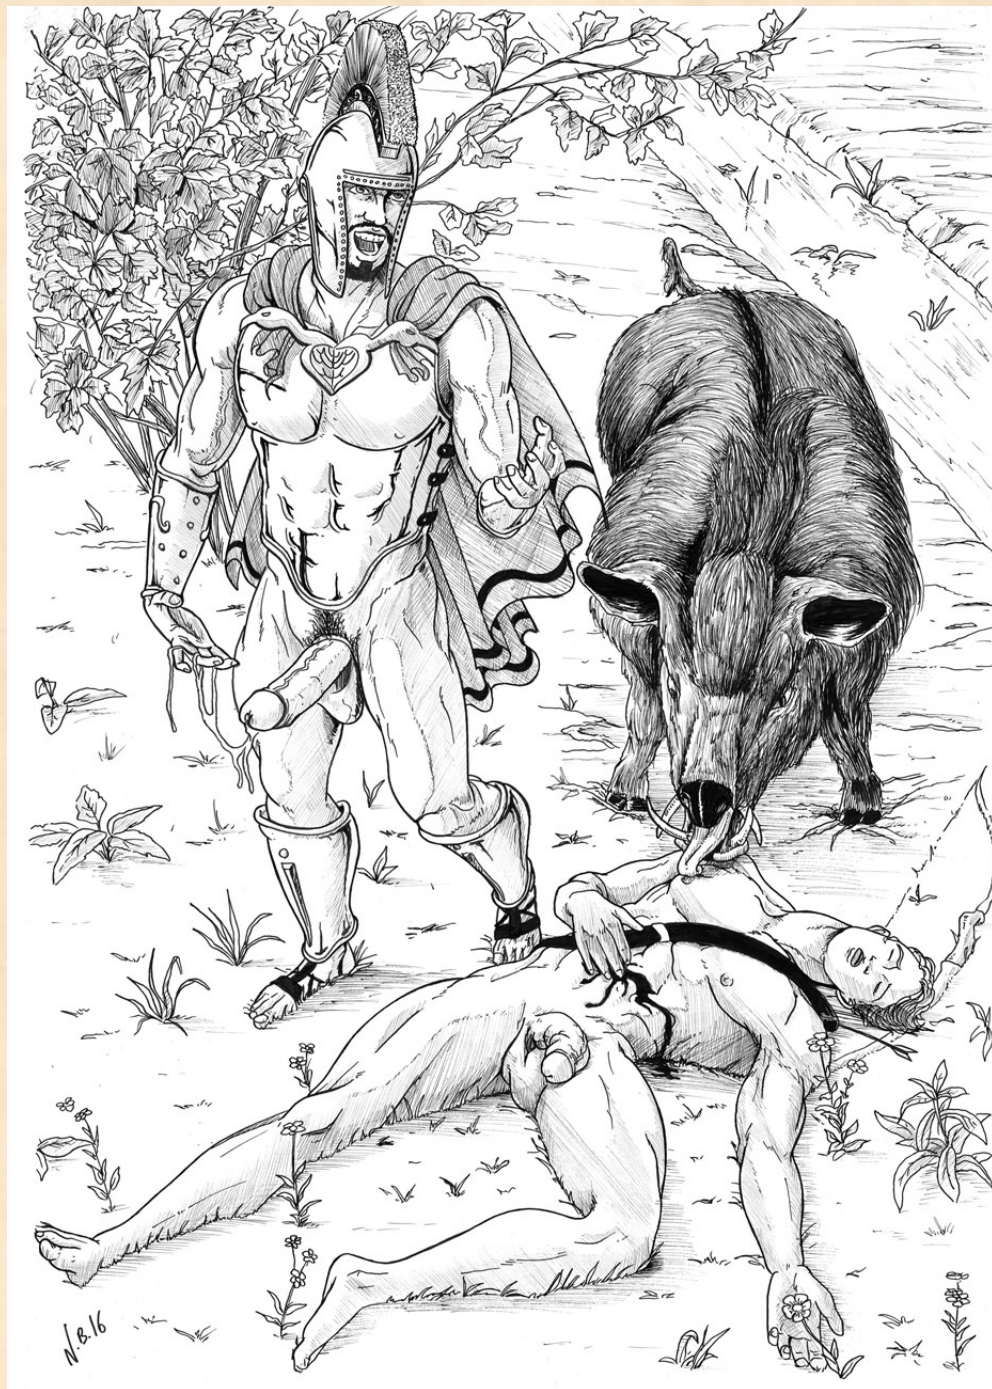

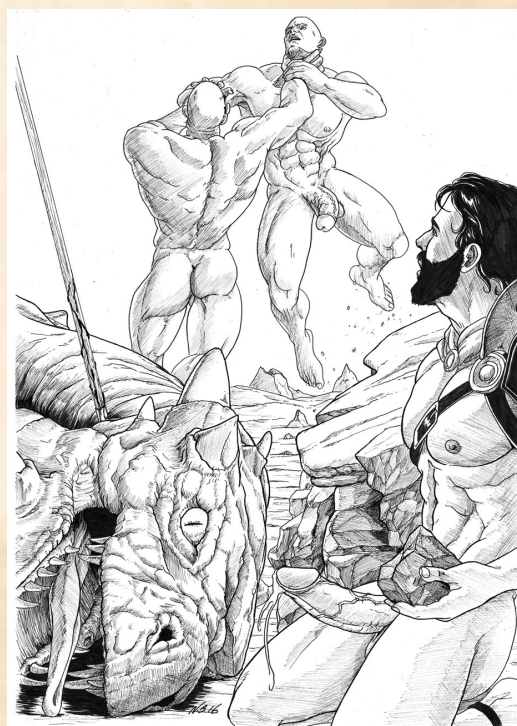

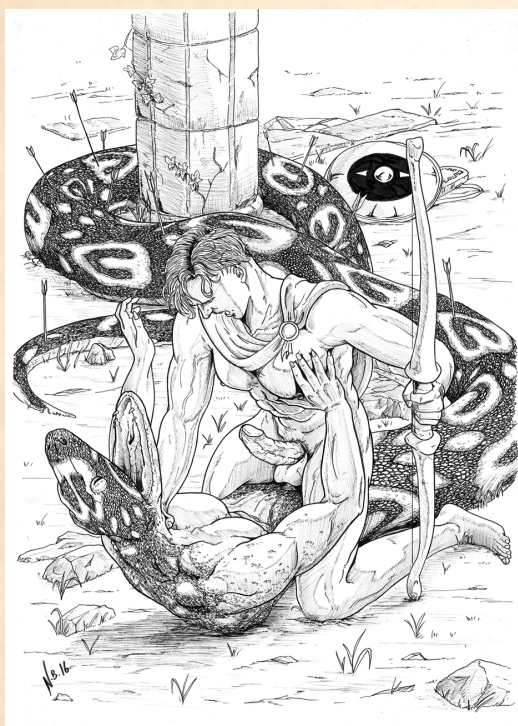

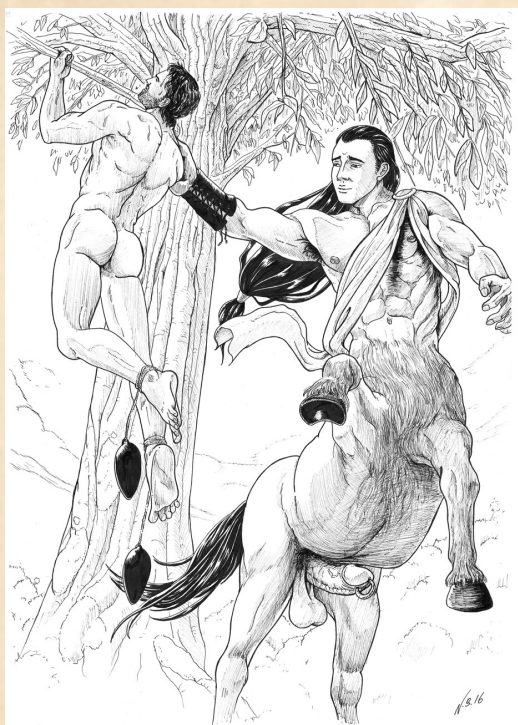

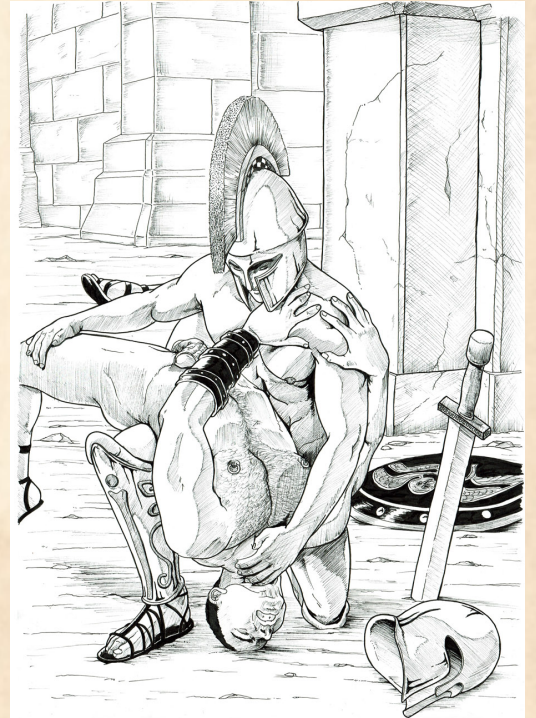

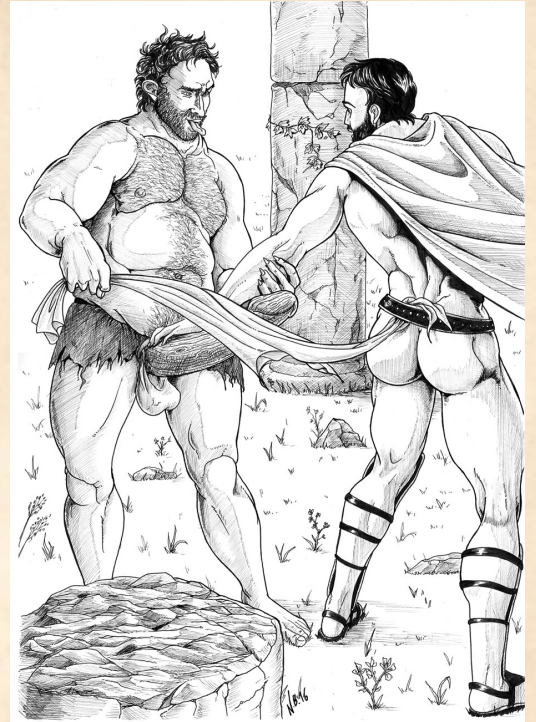

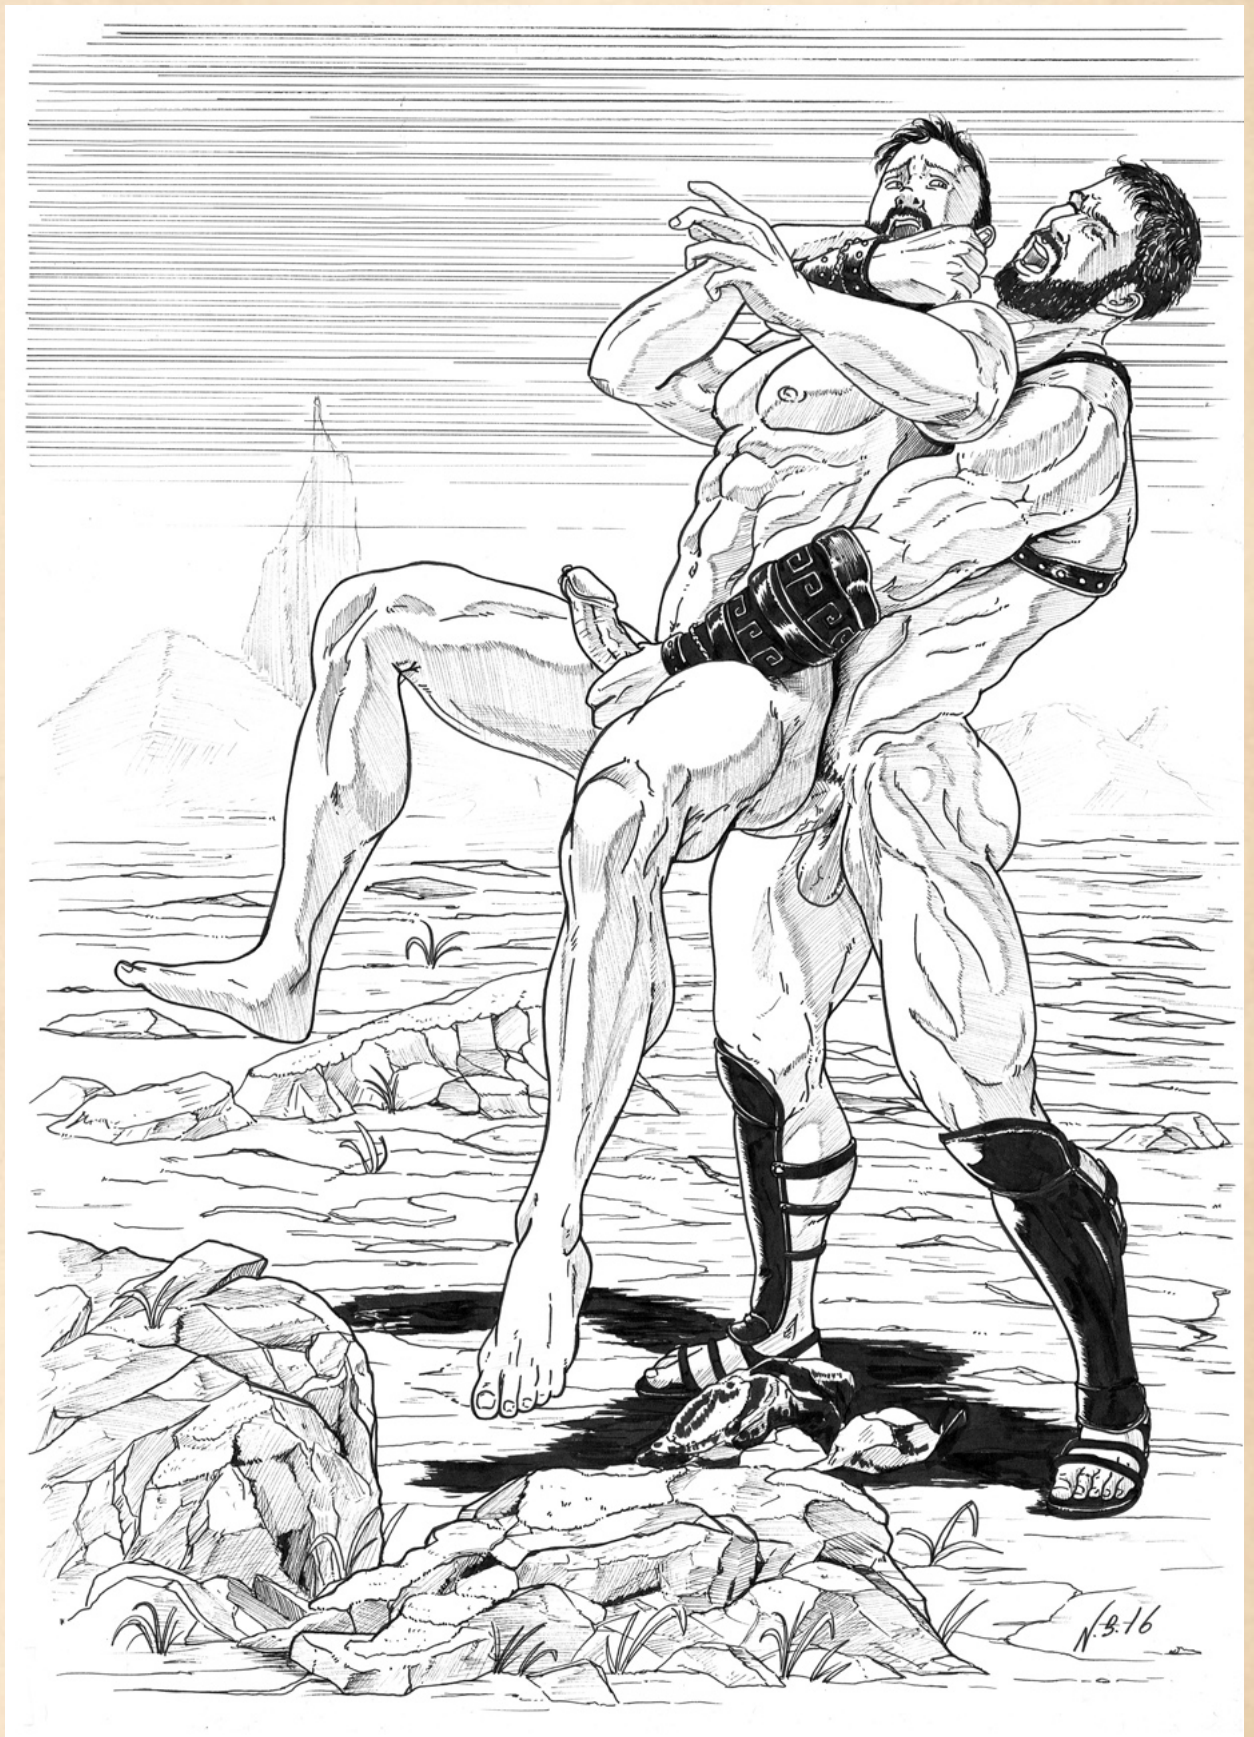

6.1 Greece mythology - Nicolas Brunet
